

Popularity Of Thursday Night Movies Is Increasing

An Unusually Fine Program Scheduled For Month Of April

The popularity of the Thursday night movies is increasing by leaps and bounds, judging from the large crowds that are attending.

These movies are shown free to all Ecusta employees and their families every Thursday night, beginning at eight o'clock.

Many fine pictures have already been shown and the present booking schedule calls for more and even better films to come. While it is not possible to get what is known as "first run" pictures in 16 mm size, Hollywood is making many of the industry's finest pictures available in 16 mm after the completion of the first runs in the theatres.

The 16 mm film has proven so successful for use in industry, schools, churches and small communities, that the field is being expanded rapidly to care for an ever-increasing demand for this size film. As the popularity of this type of film grows, greater numbers of the nation's outstanding pictures will be made available. As these films are released, they are booked for showing in the Cafeteria.

An unusually fine program of movies has been scheduled for April and all employees and their families are invited to see them. The schedule is as follows:

APRIL 5—finds the Bumsteads going to the country, and the country going nuts in **BLONDIE PLAYS CUPID**. Blondie plays Cupid, Baby Dumpling plays with dynamite and Dagwood plays—and is—dumb. Plus **FARMER TOM THUMB, WILD BILL HICKOK**, and other short subjects.

APRIL 12—They're here again! **BUD ABBOTT** and **LOU COSTELLO** in **HIT THE ICE** with added attraction, Ginny Simms. You laugh long and loudly with this trio. Also **WILD BILL HICKOK** and selected shorts.

APRIL 19—**BEAUTY, LOVE, LAUGHTER** is the comedy romance for April 19. See... **THE LADY IN QUESTION** with Rita Hayworth and Brian Aherne. **WILD BILL HICKOK** and choice short subjects fill the bill.

APRIL 26—Whoopie! It's **LAUREL** and **HARDY** in **SONS OF THE DESERT**. Wacky, witty, woosy! You'll love these "children" of the desert. In addition, we'll have **WILD BILL HICKOK** and selected shorts and comedies.

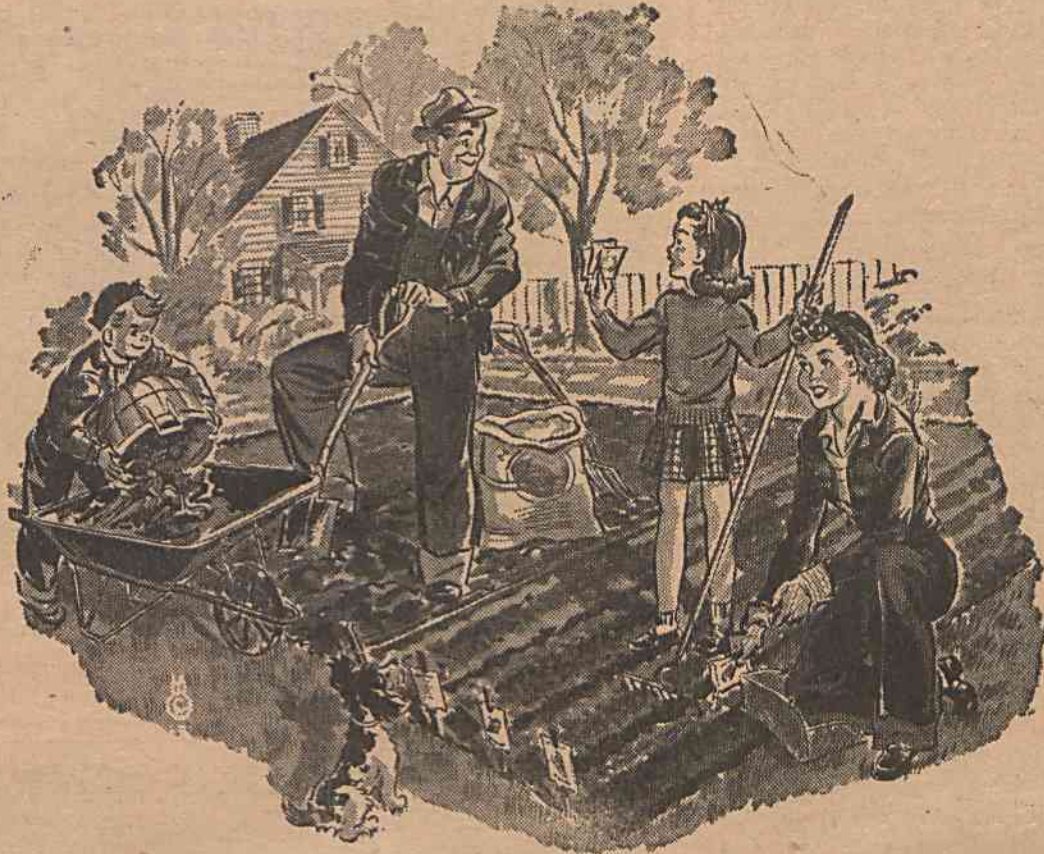

A ROUNDABOUT ROUTE

He was going home and it was dark. His road from the station was a lonely one and he was hurrying along as fast as he could when he realized suddenly that a man was following him purposefully. The faster he went, the faster the man followed him until they came to a cemetery.

"Now," he said to himself, "I'll find out if he's after me," and he entered the cemetery. The man followed him. He circled a grave and his pursuer dodged after him. He crawled under a hedge. Still the man was after him. At last he turned and faced the fellow. "What do you want? What are you following me for?"

"Well, sir, it's like this. I'm going to Mr. Brown's house and the station agent told me to follow you because Mr. Brown lived next door. Tell me something. Do you always go home like this?"

Now Is The Time To Plant Your Victory Garden!

Food is scarcer now than at any time since the war started. Rationing is being increased on everything. The best way to help in the war effort and to assure your family of having adequate food is to raise a good Victory Garden.

placed on many canned vegetables and fruits... 300,000 farm laborers have been inducted into the armed forces... farm machinery is wearing out... transportation is even more over-burdened this year... the situation on the entire food front has tightened. But it can be greatly alleviated if more people will produce their own vegetables in large quantities this summer by cultivating Victory Gardens.

Not only will you derive direct benefit from your Victory Garden in the form of fresher and more nutritious vegetables, but you will also find your garden a source of real pleasure AND YOU WILL BE MAKING A REAL CONTRIBUTION TO THE WAR EFFORT.

Most of our Ecusta Victory Gardeners have their own garden plots and last year over a thousand of these gardens were cultivated; however, for those who do not have their own space or for those who wish to have additional land for planting it has been the custom of the Company during the past two years to make available to these employees, FREE OF CHARGE, approximately fifty acres of excellent fertile farm land immediately adjoining the plant.

Last year was a particularly good season for gardening and most of the Ecusta Victory Gardens yielded good crops. Likewise the weather was such that it was possible to take good care of these gardens which made it much easier to keep weeds under control. Be-

given the remaining \$5,100.00 which amount is approximately half of the county quota.

The outstanding success of the 194V Red Cross drive in Transylvania county and within our own gates is in keeping with our tradition of over-subscribing all war-time quotas which are assigned to us. This will probably be the most active, the most vital, the most expensive year in all Red Cross history. Each of you is to be congratulated on such generous contributions toward the comfort and happiness of our armed forces abroad and the relief of suffering at home.

A certificate of appreciation has been received, thanking the employees for their generous support of the 1945 Red Cross War fund. This certificate was presented by the National headquarters of the American Red Cross.

cause of this, the big problem of weeding should be much easier this year.

Our Government is placing particular emphasis on the production of table vegetables since much of the nation's crop of green vegetables has already been earmarked for the armed forces.

Let's all raise a Victory Garden.
