SOCIALS - FASHIONS - RATIONING, SEWING AND COOKING HINTS BY LUCILLE ROBERTS, At The Library

Your Guide To Daily Living

From Washington Bureau

ADD PUFFED BANANA FLAKES to your after-the-war list, and get set for canned tangerine

POST OFFICE PLANS. Postal money orders for less than \$10, will give way this spring to a new and cheaper type of postal note. It is a pre-punched calculating card which you can buy without filling in blanks. The P. O. Dept. also is studying the possibility of talking letters, which already are in use in Latin America; if this idea should be adopted, you could talk into a recording machine and your words would be sent through the mail, ready to be played off on the family victrola.

RUBBER NOW AND LATER. Rubber household gloves, sponge cushions, and crib sheets are more apparent this year because neoprene is released from many of its war duties. This synthetic is in some respects superior to natural rubber. It withstands heat better and does not mind exposure to oil, grease and cleaning fluids.

DON'T WASTE RAYON. Taking care of rayon stockings is one 200d way to help conserve vital war materials. The cellulose used in making them is badly needed for explosives. Remember to wash them in lukewarm suds, rinse well, and dry away from radiators. And never put them on while you are wearing rings or brace-

SUMMER CLOTHES. You should notice a real improvement this summer in the quality of fabgoing into lower-priced cloth-During early days of the war food prices caused the OPA most trouble. Today clothing prices are the big worry. Their wartime increase is greater than for any-thing else in the cost-of-living in-

TIME SAVERS

PERKY SALADS of diced fruits will not be watery or limp if you mix them in a colander. The liquid will drip through leaving the salad crisp and fresh.

BEFORE OPENING A CAN OF PAINT turn it upside down for a hort time. It will mix more quickly when opened.

FUN FOR THE SMALL. To teep my three-year old out of mis-chief while I sew, I give her my button with button box, a large needle with a double thread and a button tied to the end. She strings buttons, makes designs by laying them in tows, or even sews them to a scrap of cloth. This saves my time and is one of her favorite pastimes, reserved for the hours

AN EASY ICING FOR CAKES,

Weds A Seaman

MRS. G. B. SUMMEY was married in Greenville, S. C., on March 17th. Her husband is in the Navy.

Married In Pickens

MRS. RALPH LANCE, who was before her recent marriage Miss Louise Kimsey, of Brevard. She works in Hand Booklet.

cinnamon. Spread on cake while still hot and in the pan. Put back on the upper shelf of oven. A nice icing will form in five to ten

SICK ROOM COMFORT. An ironing board supported by the back of a chair on each side of the bed makes a good table for the sick.

WED IN GREENVILLE

Chemical Lab. News

By THELMA GLAZENER

Spring came in with a little March wind, a dash of April show. ers, sandwiched between May sun. Marietta brought out her white shoes, and Ned declares we have a frog living near the lab. door. Could we blame spring for the sudden interest that Dorothy and Ruth are taking in the square dances?

There have been some new members added to our lab list— Mabel McDonald, with her dry wit; Louise Jones, a wonderful bowler, Ted Mull, "Jr" they call him, and Marcus Laws, our silent man. We're glad to have all of you with us. We miss Hazel Smith Wren and wish her lots of happiness in her new position of keeping house for "Rin" in Greenville.

Ruth has now heard from her brother who is on Iwo Jima, no wonder you're so happy Ruth. Anna has decided that she is eligible for a seaman second class rating after going around the mountains on her way to Charlotte, seasick, Anna? For informations on what makes cross word puzzles go, just ask Edith and Pearl.

The Control department is proud of its bowling team, keep rolling them, we're behind you all the way.

Nelle Bookout Norman has a new daughter, Laura Lee. Congratulations Nelle and Joe. On a check up trip the stork reports-Mary Anna and Tommy one new tooth each.

SAVE DOUBLE BOILER. Double boilers frequently boil dry before your realize the water is
