

# Victory Garden Display And Harvest Festival Was A Huge Success

## JUST LIKE A REAL FAIR

Friday, September 21, was a gala day at Ecusta. Nearly 1,000 exhibits of fresh fruits and vegetables, canned products and flowers were entered in the Victory Garden Display and the event was climaxed by an address by Gov. Gregg Cherry. Pictures of some of the outstanding exhibits are shown on these pages, as well as photos of the speakers and the crowd. At the top, center, are Mr. and Mrs. S. R. Harrington who carried off all of the Sweepstakes prizes. The first three pictures at the right are the winners of the Company's best garden contest. They are first, Mr. and Mrs. Gus Bostic; second, Mrs. Paul Roberts and third, Mr. and Mrs. James Brennan.
