is the son of Mr. and Mrs. A.
E. Tinsley, also of Brevard.

SMART GAL

"If I kiss you, will anyone be the wiser?"

"That depends on how much you know about kissing now."

Your Guide To Daily Living

From Washington Bureau

SHOES. The army will be able to make substantial cutbacks, so the textile picture should be brighter this winter than it has been for a long time. Although leather won't be plentiful, army cutbacks will make a big difference in the shoe picture—enough, probably, to justify removing shoes from rationing. Combat boots, which won't be needed now, used three times as much leather as a pair of civilian shoes.

be enough fats and oils or sugar for some time, and you probably will continue to use ration stamps for them. But you will find an improved supply of meat very soon—a combination of slightly increased production, better distribution, and perhaps less demand because some incomes will be lower. Only pork and top grades of beef may still be rationed by Christmas.

AN ANTI-SHRINK PROCESS perfected during the war to increase the wearing span of woolen socks and clothes for the armed forces can be used in peacetime to combat shrinkage in any knit wool or lightweight wool garments. It will even work on fabrics which are mixtures of wool and other fibers.

RADIO NEWS. When new radios are available you will find that more of them are equipped to receive frequency modulation broadcasts from nearby stations. There will be more FM programs, and more schools will be able to make radio a definite part of their educational systems.

NEW FOOD IDEAS. — Cream that will stay fresh for a year or more without refrigeration, cookies from the meal of sunflower seeds, canned sandwiches, chocolate bars which won't melt from heat, many new compressed and powdered coffees, a powdered pudding mix which requires no cooking. New ways to put up food will bring you: hamburgers in cellophane for purchase by the yard or individually, cans with windows, and many more self-help machines into which you can drop your coins and get your package.

Lackey-Hall Wedding

The marriage of Miss Eunice Margaret Lackey, daughter of Mr. and Mrs. Chris Lackey of Luck, Wisc., to Maj. Burwell F. Hall, son of Mrs. Burwell F. Hall and the late Dr. Hall of 170 West Chestnut St., Asheville, was solemnized on Friday afternoon, October 5, at 5:30 o'clock at the First Presbyterian church at Chapel Hill.

The Rev. Charles M. Jones, pastor of the church, officiated, using the double ring ceremony.

The church was decorated with palms, ferns and white chrysan-themums. A program of wedding music was presented by Dr. J. P. Schinhan, organist.

The bride wore a light blue suit with black accessories and a corsage of gardenias and white rosebuds.

After a brief wedding trip the couple is residing at Camp Le-June.

Major Hall was employed in the Filter Plant prior to induction in February 1941.
