

# Interest In Boy's Camp Indicated But Only Few Blanks Received

Although considerable interest has been expressed by many employees in the possibility of operating a boys camp at Sapphire next summer, only a few interest blanks have been completed and returned to the Recreation Office.

This is only a reminder that unless interest blanks in sufficient numbers to indicate that the plan is desired are received, the establishment of a boy's camp will be deferred. Before a final decision is reached, it is requested that all employees who would like to have their son attend the camp, complete the interest blank below and return it immediately to the Recreation Office.

## Letters To Santa

(Continued From Page Four)

Pete's sake, the writing looked just like my dad's. Isn't that the funniest thing, Santa Claus?

I'll be seeing you at Ecusta again this year.

Jeanette Teague

Dear Santa:

My name is Eddie DeBord, and I am two and a half years old. I have been a very good little boy since last Christmas. Santa, I would like a pair of rubber boots, some story books, a puppy, and some fruit, nuts and candy. I will leave you some cake and coffee on the dining room table. Merry Christmas!

Sincerely yours,  
John Edward DeBord.

## Christmas Parties

(Continued From Page One)

gram, the Company Christmas checks are distributed by the various department heads.

A total of five employee Christmas parties are being given in accordance with the following schedule: Thursday night at midnight, Friday morning at 8 o'clock; 4 o'clock and 5 o'clock Friday afternoon and the last one at midnight Friday.

The program for each party is being opened with an overture of Christmas music, played by the Ecusta band. This is followed by the girls' chorus singing carols, accompanied by Mary Glass and John Eversman. The carols include "O Little Town of Bethlehem," "The First Noel", "O Holy Night", "O, Come All Ye Faithful", "Silent Night, Holy Night".

Santa Claus was here again this year to help celebrate the first peace-time Christmas following World War II. A number of lovely young ladies, dressed in the traditional red costumes, assisted Santa and distributed copies of the Echo.

# A Message To All Employees

Many of our employees have indicated their interest in the intermediate report of the Trial Examiner who heard the Labor Board case in Brevard during August and September of this year.

The intermediate report of Trial Examiner Spencer has been received and is now being studied by the Company's attorneys. According to this intermediate report the Company was upheld in its discharge of Charles L. Michael; the report stating that it was lawful for the Company to discharge Michael for refusing to obey the instructions of his supervisors, and dismissed the complaint insofar as Michael was concerned.

The Trial Examiner further reported that the striking of certain of the employees on April 21st was neither caused nor prolonged by unfair labor practices, but recommended that the striking employees be re-instated or offered employment under certain conditions.

The Company has authorized its attorneys to appeal this case to the NLRB in Washington, and to further prosecute the case in the courts if necessary, in order that the interests of the Company and its employees will receive full justice as free American citizens; and we have no doubt as to the final outcome.

HARRY H. STRAUS, President.
