

# Employees' Children Enjoy Big Annual Ecusta Christmas Party

## Santa Gives Them A Thrill

When Santa Claus made his annual visit to Ecusta Christmas, hundreds of our employees' children came to see him. He gave them a swell party, too. More than a thousand kiddies were entertained during the Saturday afternoon before Christmas when a series of children's parties was held in the Cafeteria.

Since there were more children than could be accommodated at one time in the Cafeteria, several parties were held during the afternoon with the first starting at one o'clock. A program of movies was first shown after which Santa gave a Christmas box filled with goodies to each child as he was leaving.

Christmas is always a big time at Ecusta with parties for employees and their families and presents for everyone. To complete the Christmas festivities, a bingo party was held during Christmas week and was attended by a large crowd of employees and their husbands and wives.

Colored movies were taken during the Christmas week activities and will be shown in the Cafeteria in the near future. The date of the showing will be announced as soon as the pictures are ready for release.
