Vol. 8; No. 2

PISGAH FOREST, N. C.

February, 1946

MUST FILE TAX RETURNS BY 15TH.

Details Are Given. Assistance To Be Given By Personnel Office.

We are calling the attention of employees to the fact that both federal and state tax returns must be filed not later than March 15th.

The federal return is very simple provided the employee does not have more than \$100.00 income from sources other than wages and earns less than \$5,000.00. In this case, this return may be filed by merely listing the dependents on the back of the statement of earnings which has been furnished you, signing it, and sending it to the Collector of Internal Revenue, Greensboro, N. C. If this procedure is followed, 10 per cent of the wages is automatically allowed for deductions. If an employee has deductions which amount to more than 10 per cent of his wages, he should fill out a long form and take credit for these deductions.

The withholding certificate may be used for making a return only where wages are less than \$5,000.

Every married man who had an income of more than \$2,000.00 and every woman who had an income of more than \$1,000.00 must file a state income tax return. There is only one form on which this return may be filed, and the husband and wife are not allowed to file joint returns.

SEVEN FROM ONE FAMILY AT ECUSTA

Charles A. McCormick And 6 Children Are Working At Plant

Charles A. McCormick, employee of the Machine Room, has a record that he can easily do some bragging about. Not only has he been employed here since Ecusta began operations in 1939, but at the present time six of his children are also employed at Ecusta.

Five of them served in the Armed Forces during the war and all have returned to Ecusta. His daughter, Juanita, was employed as a nurse in First Aid last week. She brought the total number of McCormicks employed at Ecusta to seven.

Of the five sons, Henry C. is employed in the Machine Room, George D. in the Refining Room, and Thomas, James E. and Melvin are all employed in the Inspection Department. Mr. McCormick, who was originally from Virginia, came to Ecusta when the Mill started October 2, 1939, and has been with us ever since. This is certainly a family record to be proud of and our hats are off to the McCormicks.

1946 Red Cross Drive to Start March 1

Your Red Cross is still on the job. It is watching over the comforts of hospitalized veterans and service people everywhere and is aiding our suffering allies. The Transylvania county quota for this drive is \$8,000. An appeal is being made by chapter officials to every Ecustan to give liberally, and help put the campaign over the top.

A Large Crowd Attends Bingo Party, Many Prizes Given Away, Enjoy Dance

TWO GIRLS GOING PLACES IN N. Y.

Betty Barker Is Doing Modeling And Acting And Mrs. Pickelsimer Modeling.

Two daughters of Ecusta employees have started up the road to stardom within the past few months. Miss Betty Barker, 8-year-old daughter of Mr. and Mrs. Emmett Barker, is making a name for herself in New York City where she went six months ago to become a child model with the Conover model agency.

Betty, in addition to becoming a top child model, is on her way toward being a musical comedy star, according to present indications. She is currently featured in the Broadway smash-hit revival of "Show Boat."

Since going to New York, Betty has appeared in several plays, in television for NBC and last summer won Macy's personality contest.

Betty's father, Emmett Barker is

IMPROVEMENTS TO BE MADE AT CAMP

Work To Start At Once On Lake And The Grounds.

It has just been announced that work will begin immediately at Camp Sapphire on several improvements which will make our camp a better place for all Ecustans and their families this summer.

A major part of the work will be done in connection with the lake which is one of the most popular features there. The swimming area will be extensively improved. Plans call for the resurfacing of the bottom, the building of a retaining wall around the swimming area, improving the dock and piers, building a new diving tower and equipping the lake with boats and canoes.

The picnic ground will be expanded and several new barbeque grills will be constructed. Improvements have already been completed on the present gymnasium and it will be an ideal place for square dances, bingo parties and movies. Facilities for all types of sports will be provided and will be available. These will include tennis courts, volleyball courts, horseshoe pits, shuffleboards, basketball courts, ping-pong tables, archery equipment, badminton courts, etc. In addition, there will be a new baseball field, and plans are being made to have regular

ECUSTA BOWLERS WIN 2ND. PLACE

Annexed Second Place In W. N. C. Tourney. Players Won Several Prizes.

The Ecusta bowling team and three of the men's ten pin teams in the interdepartmental league made good showings in the Western North Carolina bowling tourney held in Asheville last week.

The Ecusta team came out second, with Champion winning first place. In all events, Colwell, of the Ecusta Tri-City league team, won second place and in the doubles, Scroggs and Williams, of the Pulp Mill bowlers, won the doubles tourney.

The Ecusta team missed winning the tourney by only 11 points. Ecustans won in all 17 prizes. A summary of winners is printed below:

ECUSTA

4th doubles—Lavell and Colwell.
12th. singles—B. Reynolds.
16th. singles—C. Colwell.
21st. singles—J. Lavell.
28th. singles—C. Rogers.
2nd. All Events—C. Colwell.
High Individual Game in doubles—Colwell.
