## Thursday Night Is Really "Movie Night" At Ecusta

Yes sir! Every Thursday night you will find a crowd of people at the Gate House about seven-thirty o'clock waiting to see the movie. Good movies, too. Many of the best pictures are shown at Ecusta and of course there is no admission charge. All Ecusta families are invited to attend. The show starts at 7:30 and lasts about two hours. The photo above was made after a recent movie.

### Canteen-Cafeteria Chatter

By SULA COX  
 We extend our deepest sympathy to Roy in the death of his father, to Mack in the death of an uncle, also to Banther in his recent bereavement.  
 Lavada reported a nice time visiting her sister and family at Cullman during her vacation, also on a shopping trip to Sylva.  
 Pop is planning a camping trip for the next five days off.  
 Unity is looking forward to having her sisters from Atlanta visit this week end.  
 Those taking vacations is our favorite pastime, we will report a few recent ones: Lavada, Joe, Pop, Taylor and Cox.  
 The buying company seems to be the one in line for the order of the Pop Perkins had as company sister and family. Most of us had some.  
 Many were very interested in our report of work here, and told us of the interesting things they were making bottles, as their father is with glass.  
 Ralph and family enjoyed a trip to the Smokies, though we were still laughing about his dash to the shed when it started raining.  
 The new jeeps in the near future jeeps will all grow tops, Ralph.  
 Blake, please don't tell anyone about your carrot treatment, those glasses are a dead give-  
 away.  
 At the same time, we really didn't know how good the programs over the radio stations were.  
 Bobbie and Elaine, do be careful. We don't want to lose either of you.  
 Congratulations to our new five-

year members, Ethel, Joe, Hal, A. P. and Taylor. So far, Leon had been our only one.  
 Listen, Leon, you'd better see Taylor before bragging any more about your big fish. He caught a 16½ inch one.  
 Ethel has had as visitors Mrs. Inez Olson and daughter, Shirley, and Miss Garnett Nolininger and Herbert Stover of Warren, Pa.  
 We are all wondering how this Pop and Sonny thing is going to turn out,

### NOT WORTH IT

The little girl wished very much for a kitten. When she had to go to the hospital for an operation, her mother said to her, "Mary, I will make a bargain with you. If you will be a brave child about your operation, I will get the nicest kitten I can find."  
 Mary took the operation very well, but later when she came out of the anesthetic she felt miserable. The first word she said to the nurse was, "What a bum way to get a cat!"

### Office Bits

By FELICIA EDWARDS

We finally did it, didn't we! At last we're moved into the new office. And even if there is a lot of hammering, drilling and sawing to endure, it's wonderful to have so much room, and everyone seems to be happy about the whole new set-up.

Because so many have taken their vacation this month, the office has been ratherly thinly populated. On the list we have Few Lyda, Charles Rawls, Earl Bryan, Gus Tucker, Bill Millner, Dewitt Drake, Lloyd Tuck, Bernard Elias, Bob Johnson, Alice Finn, Ola Gooch, Gertrude Morrison, Betty Aycock, Larry Bryant, Bill Hannon, Virginia Taylor, Norman Ponder and Thomas Graham. If a report on the highlights of each vacationer could be had, I'm sure it would make a very interesting story.

Everyone was pleasantly surprised the other day when Fred Jordan appeared on the scene. Good to see you, Fred, and we wish you luck in the coming school year.

We have two newcomers this month—Vera Kuchler in the Purchasing Department and Faye Garren in the Payroll Department.

Glad to have Margaret Collier with us again after a long leave of absence. Hope you're feeling much better, Margaret.

We extend our deepest sympathy to Virginia Taylor in the loss of her mother, and to Mr. Field in the loss of his father.

It certainly seems like old times to have Harvey Souther, Jimmy Hammond, Ted Reese and James Curwin with us again, after being in service for some time. Welcome home, boys!

Guess Charlie Dunlop is about the most popular man in the office. He says he just has to eat onions to keep the girls away.

We are indeed sorry to lose Vera Allison, Jean Luther and Carmel McCrary from our office force. Vera is going to school at Bob Jones college in Tennessee; Jean's family has moved to Oak Ridge; and Carmel has been re-inducted into the army. Best of luck to each of you.

Don't worry if your job is small  
 And your rewards are few;  
 Remember that the mighty oak  
 Was once a nut like you.
