

WNC LEAGUE ALL STAR TEAM

What manager wouldn't want this pitching staff—Grover Suttles, of Ecusta, upper left, and Rex Randall, Enka, upper right, and Grover Frisbee of Martel, lower right. Suttles and Randall are righthanders, Frisbee a southpaw.

Leading the voting for catchers was George Price of Enka, shown right, and closely following in the voting was Odell Buckner, dependable Sayles receiver. Every team in league is represented on team except Clearwater.

The infield includes two Ecustans. Rusty Carland is the first baseman and he is shown directly above with Ken Trouiman, Hazelwood third sacker. Upper right is Jack Alexander, second baseman, and below him is Earl Clark, Sayles, utility infielder. A picture of Wade Martin, Beacon shortstop was not available.
