

BOOK CORNER

By Lucille Heffner

"Nothing marks the increasing wealth of our times and the growth of the public mind toward refinement more than the demand for books."

—Star Papers

Welcome sweet Spring time! Welcome new book time!

You can't judge a book by its cover, but you'll agree these covers look attractive and we think the books will be of interest to you.

We believe **THE STORY OF TOBACCO IN AMERICA** would be to your liking for several reasons, primarily because we produce a product vital to the use of tobacco; secondly, it contains an article on our company and our president, Mr. Harry H. Straus; and finally, it is written by Joseph C. Robert of North Carolina's Duke University faculty. The history of tobacco is dramatic and colorful and has borne tremendous influence on the lives of millions. It is not a technical book, but is written in a laymen's language and we highly recommend it for educational reading.

Many readers seek diversion and relaxation with a light love story—we boast a new one—**THE GOLDEN SHOESTRING** as written by Faith Baldwin. It tells the story of a young couple without cash who thought it would be more fun to spend their lives as houseguests than to earn a living. Can you imagine the ensuing problems? **THE GOLDEN SHOESTRING** will brighten a dull evening.

The striking cover of **STRONG CITADEL** reveals that the story is built around a beautiful woman—and her influence on her associates. **STRONG CITADEL** is a witty and charming new novel about a red-haired Russian beauty whose marriage into a Main Line Philadelphia family unsettles some very settled lives. Katharine Newlin Burt is the writer.

Throughout the centuries, the story of Jesus

Christ has brought inspiration to untold millions everywhere on the earth. Its joyous message never grows old and is forever beautiful. Fulton Oursler has completed a book portraying the life of Christ which is perhaps the most accurate and inspiring ever written outside of the Bible. Simple, reverent and everywhere true to the Gospels, it unfolds the story from the courtship of Joseph and Mary to the Resurrection. It is highly endorsed by the leaders of all faiths. **THE GREATEST STORY EVER TOLD** will prove to be an inspiration to you and your family.
