

## CHAMPAGNE MACHINE SHOP

By D. C. Landreth

Well here another month has rolled around, and autumn has finally come. So with hunting season here we ought to have some interesting tales to pass along to you.

The boys in the shop enjoyed their last outdoor picnic at Camp Harry H. Straus Friday Night October 28, every one had a wonderful time. Those large steaks were deliciously grilled to suit the taste. So we are looking forward to the next time when we all get together again.

"Cock Robin" Cheek is taking a vacation this month. Says he plans to do a little hunting and work at home.

Doyle Moss has been attending so many Singings in the last month that he is in demand for a tuning fork. So, if any one can lend him a hand, please get in tune with him.

Ferde Jones asked William Talley the other day what makes you so poor and underweight. Talley's reply was: "Jones I haven't eaten in six months".

When John L. Sullivan defeated Jake Kilrain in the last bare knuckle heavyweight championship fight John L. sent a wire to his wife—The wire read "Won easy in 75 rounds".

The most runs ever scored in a World Series Game was 18 by the Yankees in 1936—And every one of those runs was batted in.

Well so long for now, see you next month.

### VACATION WITH PAY

Want to play folk, or go fishing for trout?  
Or sleep ten hours a day?  
Go on a picnic, or just gad about  
On your vacation with pay.

Go to a seashore or mountain resort,  
Go to a farm and pitch hay,  
Go where you want to, for rest or for sport  
On your vacation with pay

Go and watch ball games, or see all the sights,  
Go and sail boats in a bay,  
None can deny that you have all the rights  
On your vacation with pay.

Dig in your garden, or lie in the sun,  
Pack your alarm clock away,  
Do what you want to, so long as it's fun  
On your vacation with pay.

Don't think of work bench, or desk or machine  
During the time you're away,  
Show the world what we Americans mean  
By your vacation with pay—L.S.S.

Kindness is a language the deaf can hear and  
the dumb can understand.
