

**BABY BEEVES**

Almost one hundred 4-H club and Future Farmers of America members exhibited their finest baby beeves at the recent Western North Carolina Fat Stock Show and Sale at Enka. These youngsters collected more than \$37,000 for their prize calves. Warrior McCall attended the show and sale and

bought the two calves, shown above, for our cafeteria. At left is "Dick" Bryson, son of Mr. & Mrs. Ollie Bryson, with his calf that weighed 940 pounds. Center is John Canup, son of Mr. & Mrs. James Canup, with his 1025 pound calf. At right is Mr. McCall. Dick's father is employed at the Gatehouse, and John's is employed in Refining.

**FIVE-YEAR CLUB**

The following employee has become eligible for the Five Year Club during the month of November, 1951:

NAME	DEPARTMENT
Coman V. Hamilton .....	Maintenance

**NEW YEAR ONCE OBSERVED MARCH 25**

Before the adoption of the Gregorian calendar in 1752, Anglo-Saxon nations celebrated New Year's Day on March 25th of each year. Even at that time New Year's Eve was celebrated. At one time Christmas was celebrated in the same manner as New Year's Eve is today but the Puritan government declared Christmas a strictly religious holiday. When New Year's was brought back to January 1, the celebration continued.

Your car can help you see the world—but you must decide which world.
