ABOVE: Miss Sara McCrary, student pilot. A senior at Brevard High School, Sara has been taking flying lessons for a little over a year. She made her solo flight after eight hours of instruction and now has about twenty hours flying time to her credit. Sara's instructor, J. C. Taylor of Brevard, reports that she is a good student and should, when she logs some twelve more hours of flying time, easily qualify for her private pilot's license.

She is the daughter of Mr. and Mrs. Foster McCrary of Route 1, Brevard. Mr. McCrary is employed in the Power Department.

ON THE COVER: Sara prepares to "crank up" before taking off on a practice flight.
