

# The Campus Crier

VOL. III

ASHEVILLE-BILTMORE COLLEGE, ASHEVILLE, N. C., OCTOBER 18, 1948

NO. 1

## New Student Officers Are Elected

### President's Message

Another college year is well under way at Asheville-Biltmore. It promises to be one of the most significant in the history of the institution.

It has been our pleasure to welcome back a great Sophomore class and to extend greetings for the first time to a most splendid group of freshmen. A new spirit is evident on the campus . . . a spirit which bodes well for the future.

Returning students will note many changes here. New regulations designed for the benefit of the student have been adopted; our scholastic offering has been enriched and expanded; our fine faculty has been strengthened by the addition of new and well qualified members. For the first time in the history of the college, an orientation program was conducted at the beginning of the term. Recently, another precedent was set when the college inaugurated a program designed to make our institution serve more adequately the needs of our community. Evening classes in a wide variety of subjects taught by members of the regular faculty are now available. These are some of the tangible evidences of progress attained during the past few months. A finer spirit of enthusiasm, cooperation, and loyalty is one of the outstanding intangibles to be chronicled.

One of our goals is to make Asheville-Biltmore a finer college. We must all cooperate to make it an institution in which all can take pride. It must be made to function so that those who share in its program will derive maximum benefits. It is my sincere hope that each and everyone of you will be able to make this the most happy and profitable year of your educational career.

Last year was said to be the greatest one in the history of our college. But we must not rest on our laurels. Let us all . . . students, faculty and friends of the college . . . unite our efforts to carry our growing institution to still greater HEIGHTS.

Dr. Glenn L. Bushey.

Student officers—left to right, Johnny Tipton, president of student body; Bob Vines, president of sophomore class; Smiley Courtney, president of freshman class.

### TIPTON HEADS STUDENT BODY

Johnny Tipton was elected president of the student body of Asheville-Biltmore college at a student meeting September 30. Johnny was president of the Freshman class last year, and is an active member of the Monogram club. Active in sports and other campus activities, he is also Master Councilor of the Asheville chapter of DeMolay. Bob Vines, who was elected vice-president of the student body, is also a member of the Monogram club, an outstanding football player, and is the new president of the Sophomore class.

Smiley Courtney, president of the Freshman class, was named editor of the Campus Crier. Smiley entered Asheville-Biltmore at mid-term last year, and has taken an active part in all campus activities since then.

Hiwassee	-----	Here

As officers of the student body, Johnny Tipton and Bob Vines will also head the student council. Other council members who were elected are Gus Colagerakis and Gus Coutlakis, representing the Freshman class, and William Meekins and Oliver Freeman from the Sophomore class.

### Foster Speaks At Assembly

Robert Foster, Jr., of George Washington university, southeastern instructor of the C.C.U.N., addressed the A-B college student body on the subject, "The Purpose of the United Nations," in an assembly program Tuesday, Sept. 21, in the annex.

Mr. Foster explained what the purpose of the C.C.U.N. is, and illustrated how the chapter for this college will be formed. He emphasized that you must "know what you are selling" when becoming a member of the C.C.U.N., and that it was not a force but an organization among nations.

A panel discussion on "How to be Happy Though in College" was conducted by Dean W. W. Hannaman following Mr. Foster's address. In the discussion, Dean Hannaman emphasized "doing something worthwhile" in making a person happy, and asked the student body several questions.

Miss Mary T. Miller gave the devotions, which were followed by announcements.

Dr. Glenn L. Bushey, college president, presided.

### College Band To Be Organized

Grady Nichols, organizer and leader of our new band, is well qualified for the job. He has been playing the trumpet for ten years. He was student director of the band at Junior high in Decatur, Ill. and also served in this same position at Lee Edwards.

Wednesday nights at seven-thirty have been set for band rehearsal and other rehearsal time will be announced later.

Anyone interested in playing in the band is urged to contact Grady or the College as soon as possible. This invitation is extended to the people of the Community and anyone else who would like to take part. Arrangements have been made for those who would like to play in the band but do not have instruments.

Grady has great expectations concerning the Asheville-Biltmore band. "In the future", he said, "I believe that we can develop a good music department and band." He has been living in the south for just one year and likes it very much.

### Dr. Bushey Heads W. N. C. T. A.

Dr. Glenn L. Bushey was elected president of the Higher Education division of the Western North Carolina Teachers association at their annual convention last week.

The sectional meetings of the association on the college level have received poor support in the past. Dr. Bushey has stated that, "It is my hope to make the Higher Educational division of real value to administrators and college personnel."

#### NOTICE

Students, you had better go to assembly. The words, "I think I'll cut assembly," are well on the way to being famous last words here at Asheville-Biltmore.

From now on each student will be allowed two cuts per semester, but even these must be with a good excuse. Any student taking over two will be tried by a jury composed of members of the faculty and student body. If you are lucky, you may be put on probation.
