PIANIST ENTERTAINS

The grey stone walls and oak panels of Seely Hall resounded to the music of Bach, Beethoven and Chopin as our young guest pianist entertained at assembly April 12.

At the age of seventeen, Eunice Waymon, student at Allen School for colored girls, is already an accomplished musician. After completing this school year, she plans to continue her study at Juliard School of Music in New York.

This may be the beginning of a colorful career for this young native of Tryon, N. C., and with her go our best wishes for success, and a hope she will return and play for us again someday.

Don't go out on a limb like Chop Chop.
Vote for Enloe.

Our candidates are Quentin Enloe, President; Helen Dickerson, Vice-President; Ruby Herring, Secretary; and Bill Bryant, Treasurer.

From some scattered signs I see we have opposition, but for really BIG doings watch the Speech Department. Monday is **the** day. Watch our window for further notice.
