## In Memoriam

Virginia Marie Ginger Olson

Sept. 3, 1953 - April 15, 1973

Cry, if you must  
Cry like there is no tomorrow  
As the minstrel plays along  
And sings his song  
Catching the notes and sending them  
Higher, higher  
Play a sad song, if you must  
But softly, lightly

So no man may breathe in its presence  
And the path winds forward  
Onward, forever  
Eternal in its Hope.  
The minstrel plays along  
And sings his song  
But it is not so far to Jerusalem  
If you know the way.
