For his writing and narration in "Closeup on Fire" Bergman won an Emmy Award in 1974; his "Closeup:

Crashes" was nominated by the Writers Guild as the best written script of 1974 for a current event documentary. Bergman also won the Aerospace Medical Association Special Presidential Award. ## Senate Meeting

### Budget Passes Senate

The Senate Meeting of October 11, 1977 was called to order by Vice-President Eddy Thomas at 3:44 p.m. in the Student Government Office. Senators present were: Skeelee, Gardner, Mundy, Williams, Reed, Smith, Neuschaefer, Harvey, Parham, Kent and Penland.

Others present were John Putnam, Bill Branham, Darrell Parker, Randy Luguire and Steve Eller.

The first item on the agenda was announcements by the chairman, Eddy Thomas. He first pointed out that no alcohol was to be on the second floor of Lipinski Student Center. He

then apologized for getting involved in debate last week as the chairman must remain silent. Also, he reminded the senators to be prompt in showing up for the meetings. He also informed the senators that their rudeness shown thus far to visitors must cease. (See the related editorial.)

Mr. Thomas then read the resignation letter from ex-dorm senator Steve Eller. Steve felt that he had to resign because the senate no longer had the interest of the student body in mind and was failing to represent its constituency. Bill #8, the Student Govern-

ment Budget, presented last week by Gerry Parham and seconded by Steve Eller passed unanimously after short debate.

The budget was printed in last week's *Ridgerunner*, but, here is a synopsis:

\$3112.50 tentative social budget for remainder of the semester

995.00 S.G. office, including \$450 for travel to the NCASG (North Carolina Association of Student Government) meeting.
