## SPECIAL EDITION

This week on Wednesday, Student Government is holding its 'annual' elections for SG President, Vice-President, and Senate seats. There have been four persons file for the position of Student Government President--Steve Finley, Sammy Kent, Clyde McPeters, and Dale Saunders. Three persons have filed for the Vice-Presidential position--Darrell Parker, Gary Stone, and John Zeuli, Beth Penland, Gerry Parham, and Todd Cecchini have filed for the three available Senior Senator seats and Mark West, Anthony Gentry, Randy Reed, and William Thompson are seeking the three Junior Senate positions. For the Sophomore Senate seats, six persons have filed--Scott Larned, Robert Skeele, John Putnam, Kay Reynolds, Chris Franks, and Dee Forester.

In this issue of THE RIDGERUNNER, we have attempted to print pictures and necessary information of all the Presidential Candidates and Vice-Presidential Candidates. Some of the candidates were not available for pictures and some did not submit campaign statements; THE RIDGERUNNER has, nevertheless, made some attempt to introduce the candidates to the students. Remember, you have the right to decide who will represent you and who will spend your money, but only if you vote Wednesday.
