Don't miss two amazing art exhibitions in Ramsey Library this month. "Catching My Breath," an exhibition of 16 black-and-white photographs by UNC Asheville senior Cassie Floan, is on view January 14-31 at UNCA's Ramsey Library third floor gallery.

"Quilts by Charmaine Strong," an exhibition of 12 quilted wall hangings, is on view through January 31 at UNC Asheville's Blower's Gallery.

Floan traveled to Italy during spring semester 2002 to study photography at Lorenzo de'Medici-Institute in Florence. The photographs in the exhibition were taken there using three different antique cameras.

The daughter of a talented seamstress, Strong began quilting 15 years ago. The Asheville artist creates both traditional and artistic pieces using a variety of fabrics, including satins, velvets, and flannels.

Both Galleries are open during regular library hours.
