SPONSORED BY ACADEMIC ADVISING AND RETENTION

During our sessions, we provide UNCA students with practical suggestions for improving their college performance in specific ways. Individual group leaders from across campus will discuss a variety of topics; all students, faculty, and staff are invited to attend and contribute ideas. Bring a lunch or snack and come join us!

EXAM PREPARATION AND TEST-TAKING, PART I OF II
A panel of UNCA sophomores, juniors, and seniors talk informally about their experiences with studying for and taking exams at the college level; their presentation will be followed by a question-and-answer session. These students represent a variety of disciplines and are willing to discuss major options and program requirements as well.

- Tuesday, March 18 – 11:00-12:00, Laurel Forum

Business and social etiquette can be tricky, and making the right moves can make a big difference. Join the Office of Student Life and Barbara Pate as we explore the basics of Business Etiquette because those who have business and people skills will be the winners in the job market of today.
