## In Tra Parietes

"In Tra Parietes," an exhibition of eight graphite drawings by UNC Asheville senior Laura Rieder, will be on view through April 30 at UNCA's Blowers Gallery. An opening reception will be held from 2:30-4:30pm Saturday, April 19, in the gallery. The show and reception are free and open to the public.

The show, whose title translates from Latin to "Within These Walls," is themed on the artist's closet, a private and personal place full of memories and secrets. "In Tra Parietes" is the culmination of Rieder's work toward her bachelor of arts degree at UNCA.
