PARKING CHANGES

There are several parking changes that are effective as of the beginning of the Spring Semester, 1988. The 34-car lot adjacent to Owen Hall has been designated a "Conference Lot" that will provide special parking for guests using the Owen Conference Center and other facilities on campus. When not needed for this purpose the lot will be open to faculty/staff and students. Forty-two spaces in front of Owen Hall along University Heights have been redesigned as faculty/staff spaces. Faculty/staff parking is now available on both sides of University Heights in this area. As weather permits, these spaces will be lined and properly signed identifying these changes. Another major change in our parking policy eliminates the distinction between resident and commuter student parking areas, therefore, students can now legally park in any student zone.

NEW STUDENT ENTRANCE FOR HOME BASKETBALL GAMES:

Students will enter at the south side entrance for home men's basketball games only. This entrance is located beside the main athletic office, (glass doors). Students must have a current ID.
