- Help needed for Ecology Camp, one day program for kids, 255-7175 info •4/7

PAID OPPORTUNITY!!!!

Peer Advisors Wanted

UNC Asheville

The Office of Academic Advising & Retention is looking for qualified individuals to join The Bulldog Connection team. The Bulldog Connection is the early registration program for new students and runs over the summer. Individuals need to be full-time students, have been at UNCA for at least one year (sophomore standing or higher) and be in good academic standing with a cumulative GPA of at least 2.5. The individuals would serve as Peer Advisors working with first year students primarily on schedule planning, understanding the general education requirements and academic policies and procedures at UNCA. Training is provided and required.

We are looking for individuals with a good balance between academics and involvement at UNCA. We want students to be motivated and possess a strong loyalty to UNCA and what it has to offer. We want to select a diverse group of students to represent UNCA and encourage all students meeting the academic criteria to apply. Please consider joining our team!

Students should be able to commit to the three dates listed - two dates are in the summer and one is during fall orientation. However, those who can only commit to two dates should still apply and will also be considered. The dates for Summer 2001 are June 15 and June 29. The date for Fall 2001 is Tuesday, August 14 (tentative). There will also be three training dates during the spring semester to be set when applicants are selected so they can be worked around class schedules. This is a paid opportunity and is not affiliated with the orientation leader selection.

Interested students should pick up an application on the door of Lipinsky 206 and return it to Debbie Race by March 16, 2001.

Once applications have been reviewed, those individuals selected will be called in for an interview.

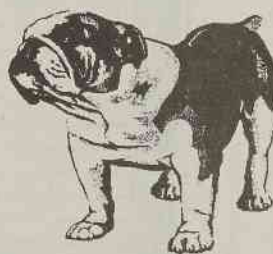

University of North Carolina at Asheville
Advising & Retention Office
