PRINTING SERVICES INFO:

Printing Services, currently in Zageir Hall, will be moving to its new building (across from the credit union) on Friday, December 14 (if all goes as planned!). On Monday, December 10, we will start packing up and disconnecting our equipment in Zagier. Once we move, our copiers will be up and running almost immediately, but the press and bindery equipment (for folding, cutting, etc.) will not be fully functional until the beginning of the new year.

Once we are in the new building, work for Printing Services may be dropped off and picked up at the Copy Center, across from Ramsey Café in the Library. The Copy Center will accommodate small copy jobs and while-you-wait copies for students. This is a new venture for the entire campus, and we will have to "play it by ear" until we can get adjusted. Please plan your printing/copy needs accordingly, and thank you for your patience during this transition.
