

## In Case You're Sick

Infirmiry services include visits to the campus doctors, treatments, most medications, information, and assistance. There is no charge because they are covered by your health fee and available to all registered students, part or full-time. All matters are confidential. Physical examinations are not done, but appointments will be made at offices, and students pay costs.

The health fee applies to the infirmary only. Anything done off-campus, such as office visits, laboratory work, x-rays, etc., is charged to the students by the agency performing the service. The student also pays pharmacy charges for prescriptions, and costs of food and beverages if staying in the infirmary. Cafeteria food is paid for when brought to the infirmary.

### DOCTORS AND HOURS:

**8:30 A.M.-9:30 A.M. Monday, Wednesday, Friday.** Dr. Claude Steen or Mr. Robert Jackson, Physician's Associate.

**1:00 P.M.-2:00 P.M. Tuesday.** Dr. Judith McGahey.

**2:00 P.M.-3:00 P.M. Thursday.** Dr. John Ransmeier.

(Students wishing to see a doctor must be at the infirmary during the first half hour the doctor is due)

### INFIRMARY HOURS:

The infirmary has generous Open Hours, during which students are expected to come whenever possible,

and for all routine medications and treatments. However, for emergencies of various kinds, a registered nurse is at the infirmary from 8:00 a.m. Monday through 8:00 a.m. Saturday. During the night an off-campus student must call the infirmary before coming, and on-campus students must see a doctor or campus police officer, then be accompanied by one to the infirmary.

### OPEN HOURS:

**8:30 A.M.-6:00 P.M.** (except for lunch) Monday, Wednesday, Friday.

**9:30 A.M.-6:00 P.M.** (except for lunch) Tuesday, Thursday.

**7:00 P.M.-9:30 P.M.** Monday through Friday

### WEEKENDS:

There is no nursing service after 8:00 a.m. Saturday until 8:00 a.m. Monday. Campus police are familiar with procedures, and in their office at Vance Hall have medical kit, Ace bandage, and crutches. They are to be contacted for an emergency, or if a doctor's appointment is necessary. Dr. Leslie Smart is the doctor called. He and his partner have office hours Sunday through Friday, and an emergency hour 4-5 p.m. Saturday. Students may go directly to Memorial Mission Hospital emergency room. Dr. Smart and Dr. Steen are at 1425 Patton Ave., West Asheville.

(If non-students in the campus community see a campus physician, a nominal charge is made, and they pay cost plus 50 per cent for medications or supplies, with a \$1.00 minimum per visit)
