

UNC-A HOLIDAY SCHEDULE

(please cut out and save)

<u>1979</u>	<u>Holiday</u>	<u>Days</u>
Thanksgiving	November 22,23	Th,F
Christmas	December 24 thru 28	M-F
<u>1980</u>		
New Year's Day	January 1	T
Easter Monday	April 7	M
Independence Day	July 4	F
Labor Day	September 1	M
Thanksgiving	November 27,28	Th, F
Christmas	December 22 thru 26	M-F

Note: December 31, 1979, will not be a working day at UNC-A. The University will be closed and all employees subject to state leave policies will be charged a day's leave on that day. No leave slip need be submitted. The Personnel Department will charge a leave day to all employees automatically. This means the University will be completely closed beginning December 22, 1979, and will reopen on January 2, 1980.

SKI CLUB ANYONE?

The UNC-A Recreation Office is calling all skiers who would like to form a ski club.

Marney Richards of the Recreation Office said plans are being made for frequent trips to Cataloochee, one or two trips to Beech Mountain and possibly some cross-country skiing in Boone.

"Since this will be a new club," said Richards, "the members can organize it to suit themselves. But we need to get it all down on paper this month."

Those interested in joining are asked to contact Richards at Extension 223. Her last words on the subject: **THINK SNOW!!!**

HELP WANTED

During the year, the Learning Resources Center needs temporary help. Special programs at night, on weekends, and sometimes during the week, requiring audio and/or videotaping, sound systems, projectionists, etc., leave us short of personnel.

We would like to establish a roster of four or five dependable and usually available people who can be oriented to the various equipment types and who will be "on call" as needed.

See Bob Hayner in the Learning Resources Center if you are interested.

WORDS WANTED

All writers, would-be writers and just-barely writers are reminded that "The Paper" wants and needs your contributions to our bi-weekly gathering of university news.

"The Paper" was established to serve the whole university -- students, faculty, staff, alumni and friends -- and it will serve that purpose best of all if you regard it as "your" paper. The faculty can usually be counted on to come through with a sufficient supply of scheduled events. Students may require more prompting. So, students, here is your paper -- made possible, in part, through the student fees administered by the Publications Board. Your news belongs here. Bring, send or call it in to the Public Information Office, top floor of the Phillips Administration Building. We'll take it from there. Again, we ask your cooperation in supplying copy to us well in advance of the deadline so that we may better serve you.

UNC-A PICNIC

Continued From Page One

be provided. It is requested that those who plan to come notify one of the hostesses, either Margaret O'Donnell (255-8320 or campus extension 336), Dot Sullock (253-5513) or Charlie Reed (253-3524 or campus extension 331).

There will be a covered pavilion and game equipment. Parents who bring children must do their own supervising.

To reach Lake Julian from Asheville take I-26 to the Skyland exit. Turn left under the bridge onto Long Shoals Road. Follow the signs to Lake Julian.
