

A Statement by Coach James

"I consider this year's basketball team an outstanding team, and the boys are to be commended for their fine spirit, sportsmanship, and determination. I believe this is the best team that I have had in seven years. It is unusual to have a team composed of men who do not smoke, who pass their work, and who have such a strong desire for team work, which is so essential to a winning team. No finer group of boys could have represented Brevard College. I'm sure the student body is proud of their work. In behalf of the team, I should like to thank the students for their splendid support and sportsmanship at our games this year."

Brevard College Tornado Completes Successful Cage Season

Last week the varsity basketball team ended their eighteen-game schedule with a creditable record of winning ten of their games. The highlights of the season were a victory over the strong Asheville School for Boys, "considered the best school team in Western North Carolina," and a victory over Textile College of Spartanburg, S.C., who had won ten straight games before meeting and losing to Brevard. The Tornado was defeated twice by Biltmore Junior College, but they were able to take at least one or both games from their other opponents. The lettermen for this year's team are Woodrow Patton, Thelbert Wright, Millard Whiteside, Bill Davis, Sam Ardrey, James Rogers, J.R. Burton. The manager was Bob Dixon.
