

Forensic Team Enters Tournament

Brevard's first forensic team, composed of debaters, orators, and dramatic readers entered the annual Junior College Forensic Tournament held at Charlotte, March 5 and 6.

The girls' negative debating team, with Edith Beard and Geraldine DeVier, were the only debaters who won a decision. Virginia Barnes, Brevard's entry in dramatic reading, won third place.

Nine junior colleges were represented; some schools sent delegates for only a few of the events. Brevard entered all events except after dinner speaking.

The forensic team has labored under handicaps all season, and the debaters had only one decisional debate. Two changes were made in the teams only a week before the tournament. Despite these handicaps and the fact that this is the first team, it was able to build a foundation for future students of Brevard.

The students have been coached by Mr. Pangle and Mrs. Coltrane who are well accomplished in this field.

The boys' affirmative debating team is composed of Odell Salmon and Rembert McNeer, the negative of Horace Raper and Norman Plott. The girls' affirmative team is Ida Whisenant and Mavis Shinn, the negative Edith Beard and Geraldine DeVier. Richard Queen represented the school in the oration contest at the tournament, and Virginia Barnes gave the dramatic reading.

Baseball Practice

For the last two weeks the Brevard College baseball team has been getting into shape for the coming season. About thirty-five boys reported to Coach Ralph James at his call. The boys have been going through the regular

Delphians Down Clios

Again the Delphian Literary Society triumphs in the sports world by downing the Cliosopic Society 35-21 in the annual Delphian-Clio basketball game Monday night.

The game was hard fought from beginning to end. Although the Delphians grabbed the lead after the first quarter and held it until the end of the game, the Clios were not beaten until the closing whistle. The score at the end of the first quarter was 7-7. At the end of the half the Delphians had a lead of three points, with the score 16-13. The score at the third quarter was 21-17, and the game ended 35-21.

Houts, of the Delphians, was high scorer of the game, with 13 points to his credit. Edwards, also a Delphian, was close behind with 12 points. Lee was high scorer for the losers, with 10 points to his credit. The floor work of both teams was good, considering lack of practice.

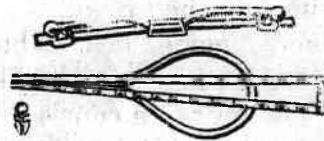

routine of passing, batting, and scrimmaging.

Besides several of the letter men of last year's squad there is a great number of boys who with the right training will shape up into good material.

Wahonick, Carlisle, W. Clayton, Patton, and Wright will form the nucleus of this year's squad. The playing schedule will start after spring holidays, and the team will take two trips of a week in length, as well as other trips, during the season. They will go to South Carolina and also visit several of the North Carolina junior colleges.
