President Hunter Addresses Students

Saturday morning, April 11, Dr. Hunter, president of Western Carolina Teacher's College, with members of his faculty and friends presented a chapel program at the assembly period to the members of the student body. After the program President Hunter talked to the members of the graduating class.

Miss Dorothy Moore, a member of the Cullowhee faculty rendered several beautiful vocal solos.

Dr. Hunter talked on "A New Deal In Faith". He stated that what we need in America is a restoration of faith, and he showed us how we lack faith in regard to our dealings with our fellowman. We also need restoration of spiritual faith. He gave examples that illustrated the belief in immortality that a few of the Old Testament writers had. Mr. Hunter made the statement that real faith is a dynamic force and keeps us going under adverse circumstances. He also said that every great achievement is a monument to somebody's faith.

In his talk to the sophomores Mr. Hunter stated that it was almost necessary to have one's vocation picked out by his junior year in college, and he went so far as to say that if one had not picked out his vocation by that time that he would advise him not to go on to college. He listed the qualifications of W. C. T. C. as teacher's college and stated that they were glad to get any one who was studying for the teaching profession; but that they were not out to get students to leave their school and matriculate at Cullowhee unless they had finished their course at the present school.

Mary Freeman Well

Weren't we all glad to see Mary Freeman out for the first time in a good while last Monday? We wish for her a speedy recovery and hope that she will be back with us in the future.

Oration Award Will Be Given

Early in June there will be held here at the college an oratorical contest open to all sophomore boys of the student body. This contest is being sponsored by two brothers, Rev. Claude Moser, who is now Presiding Elder of the Gastonia District of the Western North Carolina Conference of the Methodist Episcopal Church, South, and Dr. Moser, who is a prominent dentist in Gastonia. These gentlemen are offering a medal to the winner of this contest; and it is to be a memorial to their father and mother, who were killed in an automobile accident a few years ago.

The organization and rules of this contest are being worked out at the present time by the members of the faculty committee on public speaking, and definite announcement will be made regarding it in the near future. The final contest will be held between the four men who are selected by elimination from the large group that is hoped will become interested in this work.

Sophomore boys who are interested in this event should communicate with the authorities and find out the regulations and requirements other than those listed above.
