

SPORT SLANTS

By James Sturgis May

After reading all dope possible on the basket-ball teams in the

Junior College Conference this season, we are confident that the right team won the playoff game at the Davidson College Gymn last Tuesday night.

Six of the junior college quints entered this tournament with the Cadets of Oak Ridge Military Institute winning games with Presbyterian Junior College and Boiling Springs. In the pairings for the final game of the tournament the Oak Ridge cagers were pitted against the strong Belmont Abbey basketeers. The Cadets took this game with ease and won the championship title of the tournament sponsored by the Presbyterian college at Davidson.

Mars Hill Junior College cagers claim the title in the junior college competition for the past season, in the state of North Carolina; but we think that the actual champion is the winner of the Davidson College tournament. Here is more power to the schools participating in this tournament and the high hopes that a Brevard College team will be entered next year.

A FIGHT?

The boxing program which is being sponsored by The Clarion, will prove to be one of the biggest successes of the year. Before plans were made for this boxing card, several members of the student body and also members of the faculty were approached; and the same answer was given each time the question was asked: "Yes, it sounds great." That is the reply we received when asking for opinions on the prize fight.

Not that it matters; but Ralph Ritchie looks as if he may be the infielder that Coach Ranson needs for the position at short stop. Leon Stubbs would look pretty good behind the batter, acting as catcher for the Tornado. Grover Boyd and "Dutch" Eldridge are holding out for a \$50,000, contract before they will offer their services this season. Ralph Proffit has a fast ball that should trouble 'em plenty.

Coach Ranson met his better man Saturday on the tennis court.

Boxing Match Is Promoted

Do You Know

Do you know the answers to the questions in the last issue of the Clarion? How many of them did you get right?

1. Skiing was first introduced in the United States by a Methodist minister, in the year 1850. John Dyer was the minister.

2. Dean Detton is the heavy-weight champion of the professional wrestling game at the present. Detton is a graduate of the University of Salt-Lake City.

3. Lou Gherig, New York Yankees, with a salary of \$31,000. Babe Ruth drew \$80,000, the highest salary ever paid a baseball player.

4. Lou Gherig in the American League and Carl Hubbel in the National League.

5. Larry Kelley of Yale University, New Haven, Connecticut.

9. Because Dr. James Naismith invented it as a recreation for Y. M. C. A. secretaries at Springfield, Massachusetts.

7. Sacramento Solons, at Sacramento, California, and will play with the Rochester Red Wings this season.

8. Lefty Gomez, pitcher for the New York Yankees.

9. Washington and Lee University is the leader in the Southern Conference basket-ball race.

10. Jesse Owens, a negro from the state of Ohio. He won four crowns at the International Olympic games last summer.

Baseball Practice

Begins; Schedule Is Announced

Baseball "hopefuls" turned out in mass Tuesday afternoon when Coach Arthur J. Ranson issued the call for the first baseball practice of the year.

Prospects for the campaign are shaping up better than had been expected earlier in the week, when the men reported for the first drills of the season. It is believed that the Brevard College nine will again this year be one of the leading teams in the North Carolina Junior College Conference.

Many who reported at the first practice have a good deal of experience behind them, from prep and high school play. Schools from six different states will be represented this year on the squad.

Al D. Shaw and Revis Frye, two of the boys who are expected to fill in a pair of gaps in the infield here this spring, are former captains of their respective teams last year.

Letter men who have reported this season from the crack team that Ralph James had here last year are Sinclair Deal, Sam Tweed, and George Lee. It is possible that Harold Severs and James Rogers will report later on in the season to be the other two letter men now in school from last year's baseball team.

Wilkinson And

Brown Sign For Opening Feature

Howard Wilkinson, resident of Ross Hall, and Dallas Brown, a member of Taylor Hall, have signed an agreement with the sports department of the CLARION staff to fight a ten-round decision bout here on April 24.

The program, consisting of thirty rounds of amateur prize fighting, will be sponsored by the CLARION.

The place in which the bouts will be held has not been decided on at the present time, but in all probability it will be the Brevard High School Gymnasium.

Editor's Note. These bouts will be strictly collegiate. No member participating will receive any money or compensation in any way.

WILSON vs. CURTIS

Norman Curtis and Gene Wilson, both residents of Taylor Hall, will fight in the semi-finals on the card, which will be an eight-round decision bout.

Others who have signed to participate on the program are Carter Tweed and Rodney Carr. These boys will fight a four round bout on the collegiate card. Two other four-round bouts will compose the remainder of the program. Meixell, Rogers, Horn, and Medford will probably be matched in the remaining bouts on this program.

Strict training will be forced for all the members participating in this prize fight. Sparring practices will be held daily by members of the group. A physician of the county will examine each boy participating in this event, before he enters the ring.

Varsity Licks

Teachers 45-13

The score at half time was 18-7. The teachers at no time in the game led in the scoring. Rogers was high scorer in the contest.

The Brevard 'B' whipped the Clions by a smaller margin of 33-23. This game was the closer of the two contests, with Spencer Scott leading the scoring honors with sixteen points.

WE OFFER YOU

- Note book paper (2 pkgs).05
Stationary (30 sheets) .10
Envelops to match .10
Holy Bibles .25
Lead Pencils 2 for .05
Carter's Ink .10

We carry nationally advertised brands of cosmetics and toilet goods that will please everyone.
