Veterans' Checks

(Continued From Page One)
 cover their September subsistence. This will be true where they completed their registration and their papers were received by VA not later than September 20. However, the total of such payments is expected to be small.

Faculty, Veterans

(Continued From Page One)
 who actually eat more will pay more than \$140 which has been the rate for three years now, in spite of constantly rising prices. Even though all veterans are allowed three choices, most of them will abide by the same plan which the other students use. No linen service will be furnished veterans this year, but arrangements are being made by the college for students to buy the linen now on hand.
