Poet's Corner

By Doreen Pearson

Never again shall I find anyone
Whom I'll love as I've loved you;
Never again shall I have a friend
Who's half so nice and true.
Never again a smile like yours,
Never a heart so kind;
Someone to compare with you
I know I'll never find.
Never again shall I find anyone
Like you, in whom to confide;
Someone who is glad to be
My comrade and my guide.
Never again shall I find anyone,
There is no one, my friend,
Who could ever be so wonderful
As you have always been.
