**CHARLOTTE CLUB**

The Charlotte club is composed of Brevard students who live in Mecklenburg county. The officers for the present year are Don Helms, president; "Bateye" Taylor, vice president; and Mike Haddock, secretary-treasurer. Since the club has most of its social functions in and around Charlotte, there is no faculty adviser.

During the Christmas holidays the club sponsored a Brevard-Charlotte party and dance. Many members and their guests attended the affair.

**VETERANS CLUB**

The veterans have again organized this year, and at one of their first meetings the following officers were elected: president, Johnny Miles; vice president, Nick Nichols; secretary, Sue Setzer; and treasurer, Claud Murphy. Mr. Ralph Connally is the faculty adviser for this group. Their regular meetings are scheduled for Wednesday night.

Before the Christmas holidays, the club gathered at Gaither's during one of the regular meetings and there they had a banquet and entertainment from the campus. Mike Haddock and Ernest Gilstrap were featured in several of their popular arrangements of hill-billy songs. The banquet was open to all club members and their dates.

This year's farewell dance will be sponsored by the vets club.

They also have tentative plans for other social activities throughout the year.

**CHRISTIAN WORKERS CLUB**

The purpose of the Christian Workers club is to promote Christian fellowship among the students on campus. The officers for this year are Gladys Brewer, president; Jo Rowe, vice president; and Allen Henley, secretary-treasurer. Mr. Edward Roy is faculty adviser. Nancy Suttles and Bill Mewborn are in charge of the programs for vespers on Wednesday night.

The club meets every Tuesday night in the new music building. Each program is divided in three parts: song, devotion and recreation. Several members of the club have attended various conferences and it is planned and hoped that many other conventions will have representatives from the Brevard club. Another annual project of the club is to collect contributions for CARE.

**PING-PONG TOURNAMENT**

For the past several weeks, one of the main topics of conversation on campus has been the ping-pong tournament which is being sponsored by the physical education department. There are tournaments in progression for both boys and girls.

In the finals, a winner must win two out of three games and see that his name is forwarded to the proper bracket in the list on the bulletin board. Much enthusiasm has been shown during these weeks of play.

**WHY?**

Why did I fall in love with you?  
It's something I cannot explain.  
I know not the reason and yet every day

I do it all over again.  
Why do I thrill at the sound of your voice  
And the sight of your smiling eyes?

I wish that you would tell me—  
It's something I can't analyze.  
Why do I feel so sad and hurt  
When you aren't exactly kind?  
I can't find the answer anywhere;  
It's nowhere in my mind.  
Why should I be so depressed  
To know you are going away?  
And why do I pray with all my heart  
That we'll meet again someday?

**SOMETHING TELLS ME**

Something tells me perhaps it is better  
That things have happened this way.  
It tells me that I will soon forget you  
And find someone else someday.  
Something down inside me says  
That is the way it will be.  
But I do not really think that I can  
Forget you as you forgot me.

**IF I BUT KNEW**

If I but knew what Fate has willed for me,  
If I but knew what fortune mine will be,  
If I could see the years that will proceed  
And know the kind of life that I shall lead,  
Would I be glad to meet the days beyond?  
Or would I lose desire to journey on?

**ART STUDENT TO EXHIBIT THEIR WORK**

The art students of Brevard college are giving a public exhibit of their works Saturday and Sunday afternoons this week from 2 to 5 o'clock.

Mrs. A. L. Bramlett, art instructor, cordially invites townspeople to attend the exhibit.

Among the paintings will be oil, water color, pastels and some charcoal drawings. Craft work, including lamps, will also be displayed.

No admission is charged to this exhibit.

On my return from the drug store, my small son asked me about the various items which I had purchased. As I had bought a different brand of cod-liver oil, I told him that it was a bottle of sunshine for him. When I gave him some of it later, he said, "That might be sunshine in the bottle, but it's cod-liver oil on the spoon."

If you don't say anything you won't be called upon to repeat it.
