

Handel's "Messiah" To Present Choir Composed Of Sixty Voices

A sixty-voice choir, composed of the music clubs and choirs of Brevard and Transylvania county, will present the "Messiah," George Frederick Handel's religious work, on December 13th at 3:30 p. m. This presentation, under the direction of Professor Francis B. Price, of Brevard college, will be held at the First Methodist church of Brevard.

Assisting Mr. Price will be Charles C. Jolliff, organist, and his mother, Mrs. E. C. Jolliff, pianist. Mr. and Mrs. Jolliff, his parents, are both local musicians.

There are six soloists composed of three sopranos, one contralto, one tenor and one bass. Four of these soloists are from the college and two are local talent. They are as follows: Elaine Walker, Wylladene Duckett, Hilda Norwood, sopranos; Rachel Meaders, contralto; Lloyd Burhans, tenor; C. C. Jolliff, bass.

The college students have been very active in the presentation of this oratorio. Those who have been most active are: Ann Cowan, Dot Wallace, Jane Bishop, Faye Smith, Celia Sherrill, Stan Hardin, Wilson Morgan and Ray Byers.

To Honor Pangles At Luncheon On Dec. 16

Tuesday, December 16, will be a very memorable day at Brevard college. Two of the college's most outstanding staff members of the past, Mr. and Mrs. M. G. Pangle, will return to the college to be honored at a luncheon.

Mr. and Mrs. Pangle were members of the faculty from the founding of Brevard college in 1934 to June of last year when they retired. These two people have been instrumental in the growth of the college. It is with extreme pleasure that they have been invited to return to the college for a visit. Mr. Pangle taught economics and

Doubleheader Won By Brevard Team

The Tornados and the Hurricanes traveled to Warren Wilson Monday night to play both boys and girls conference games.

The Hurricanes were exceptionally good, beating a very good Warren Wilson team one point. Buchanan, right forward for the Warren Wilson team scored 24 of the team's 34 points. She constantly played back near the goal and was right in position to receive the ball from the center. Lil Carney did almost as well for the Hurricanes as she scored 20 of their 35 points. Lil scored the winning points in the last two minutes of the game.

Jennie Lou Morris played an outstanding game as both forward and guard. The whole team was working together and it is generally considered to be the best game they have played this year.

Tornados Also Win

Don Malcolm led the boys in scoring with 19 points. Coach Fitzpatrick played practically his whole team. The boys were getting the rebounds and played a fast running game. Bob Walton was in after the rebounds and it was amazing how little Shepard could outjump the Warren Wilson boys.

The big game against Spartanburg is to be played tonight and Coach Fitzpatrick says that this will be one of the toughest of the season, but with the school spirit shown and the boys playing well together, Brevard is confident of a victory.

sociology while here. He received his A. B. at Emory and Henry college, his M. A. at the University of North Carolina, where he also did further graduate study. Mrs. Pangle was head of the Mathematics department. She received her A. B. at Randolph Macon, her M. A. at the University of North Carolina, where she also did further graduate work.

It Can Get Lively In Them Thar Barracks

From out of the deep dark shadows of the boys' barracks comes the cry of almost anything anyone could imagine. The boys are enjoying themselves in their temporary quarters of barracks H and K. These barracks may not be heaven, but with their many modern facilities (namely running water), they are serving the purpose quite adequately; that purpose being a place of lodging until Taylor Hall has been renovated and is ready for the boys to move in. In the words of one of the boys, "They may not be the most beautiful things in the world, but when winter comes with its cold weather and need for warmth, they are mighty nice to have around" (let us not be confused, he was speaking of the barracks and not the girls).

There is much more to these barracks than the mere physical structure. The thing that every member of the student body can truly be proud is the spirit of unity and friendship that is such an integral part of barracks life. These students have realized the necessity for living as a family, and in doing so, have discovered how easy it is to live as a group without argument and controversy. Through this method of reasoning, an atmosphere of unity has been developed that cannot be surpassed. The few difficulties that have developed, have been met and conquered in a way that shows just how much of a cooperative spirit has been developed. Along this line of cooperation, the boys of the barracks would seem to have developed a motto something like this: "No matter how big we are, we are only a part of the rest of us."

"Music Hath Powers To Charm The Campus Organization That S

The Brevard college Choir presented the "Sto Matthews in the Brevard Methodist church, Sunday, December 13th at 3:30 p. m. This presentation, under the direction of Professor Francis B. Price, of Brevard college, will be held at the First Methodist church of Brevard.

Ever since Brevard college, as we know it today, was founded in 1934 there has been a Glee club here. Mr. B. A. Livengood, who holds a bachelor's and master's degree in music from the Cincinnati Conservatory of Music, has been the director since 1949. Mr. F. B. Price, who has a bachelor's degree from the Shenandoah Conservatory of Music, trains the voices of the soloists. Mrs. D. P. Miller, who was a student at the Fontainebleau Conservatory of Music with Isadore Phillip, well-known pianist, is the accompanist for the choir.

The Glee club is not a selected group, but is made up of those students who like to sing. It is the policy of the Glee club to learn from three to four complete programs a year. Both sacred and secular works are taught.

In the spring they make a tour which takes in the Western North Carolina conference and they give programs in the vicinity of Brevard all during the year. The choir never makes any charge for their singing. The officers are: Melvin McIntosh, president; Virginia Osborne, vice president; and Faye Smith, secretary-treasurer.
