

# CLUB CAPERS

BY CHARLES HILBERS

Miss Francis told me that we may not be able to climb Mount Everest like Mr. Dyhrenfurth but, certainly we can take a hike to Dunn's Rock this Sunday. The expedition will leave from the front of the Ad Building at 2:00 and cut a cool trail for that Rock. This hiking is great fun!

The night before we go home for the spring holidays, there will be a semi-formal dance in the basement of the Women's Residence Hall. Seems like a long time since we had a dance. See you there.

The newly formed EMA is rocking right along. At a called meeting on Monday, the 11th, the club decided to send representatives to Engineering in Action, the 1957 Annual Engineers' Show at Duke University. The show was the 14th and 15th of March at the University in Durham. Some of the interesting highlights these representatives saw were: an analog computer, a guided missile display, a scale model of the atomic powered submarine, and a 500,000-volt lightning generator, to mention but a few.

The MSF is an active group on the campus. Last Sunday they concluded a series of programs on different religions when Mrs. Roy discussed the Moravian Movement. Some of the other religions they have studied and had guest speakers from are: Roman Catholic, Presbyterian, Baptist, Lutheran, and Methodist. Benny Martin has been elected President for next year. A group of eight students, Mrs. Randolph, and Mr. and Mrs. Roy will attend the state MSM conference, being held this week end at Greensboro. Jimmy Callaway will preside over the opening session of this conference. Good going Jimmy! The group has some interesting programs lined up for the rest of the semester. There will be a movie on boy-girl relations, followed by a discussion of the movie the next meeting. They will put on an Easter pageant, and Ole Borgen will lead a discussion on The Resurrection Easter Sun-

day night. At the next to the last meeting a cook out is planned; President Stamey will speak at the last meeting of the year.

The business girls took a field trip to Asheville a couple of weeks ago; Betty told me that, on the way back the snow got so deep that their bus broke an axle. They had to wait forty-five minutes for some brave Brevard College men to come along and rescue them.

Someone has suggested a competitive skit night. The Freshmen and Sophomores are cooking up something now; why don't we have one between some of the clubs on campus?

The Masquers presented a skit and fun night a couple of weeks ago. Everyone who attended had a great time and really enjoyed the talent displayed at the show. Edgar Israel was the master of ceremonies; Shirley Thompson and David Jackson, who hail from California and was formerly an Arthur Murray dance instructor, gave their modern interpretation of the mambo; Mary Sue Drum did a dramatic reading; Heyward McElveen danced the Charleston to some of the greatest music I've heard lately; Edgar Israel changed hats several times; Doris Jean Curto recited a story of "Luigi" in Italian dialect; and Shirley Parsons and Jeannette Miller portrayed a scene from "Anastasia". Shirley played the part of Anastasia and Jeannette, the part of her grandmother.

Kappa Chi Fellowship has been behind a commendable Lenten project. Every night or so members canvass the dorms for unneeded pennies and loose change which they will send to a children's home in Italy. Everyone should give whenever and whatever they are able to.

Ross Wingo, President of this organization, said that the Club had planned a retreat to Pisgah Inn for the last weekend in April. The Kappa Chi is a fraternity composed of students who are planning to de-

The Brevard College Tornadoes open this year's baseball season next Wednesday afternoon when they invade South Carolina to take on the North Greenville nine.

From all indications, Brevard should field a strong team this season despite the fact that they lost several lettermen from last year's team. Observers of the practices are very optimistic about our chances in the conference this year.

Because of the weather, Coach Martin has had very few opportunities to give his boys workouts on the field but he has had his pitchers working in the gym since the end of basketball season.

Gil Coan, a former major league star has been assisting Coach Martin with the team and he has given the boys many helpful tips.

Brevard's first home game does not come until April 15, when they play the Mars Hill Lions in a single game.

### Women's Intramurals

Until now, due to lack of information, women's intramural sports have not been included in the Clarion.

### The Honorary Field Hockey

vote their lives to full-time Christian service.

The Phi Theta Kappa, a national honor fraternity, met to discuss the national meeting in Loughten, Oklahoma, in April. Dr. Burt Loomis, advisor, outlined the meeting and the trip to Oklahoma. This group will convene here at Brevard College next year.

## S P O R T S R E V I E W

Team includes such stars as: Lois Gamble, Eunice Jones, Betty Bradley, Audrey Honeycutt, Barbara Davis, Sarah Middleton, Jane Allred, Sarah Fortune, Louise McTaggart and Laverne Sweeney.

Carolyn Reed won the Hockey Stick award this year.

In basketball, the Euterpeans nosed out the Nemos for first place, with the freshmen and sophomores finishing in that order. Girls making the All-Star team were: Sarah Fortune, Mary Mullis, Louise McTaggart, Murna Fisher, Barbara Davis, Sandra Mask, and Lois Gamble.

The free-throw contest was won by Maray Ellen Coffey.

Volleyball intramurals and also the individual sports such as tennis and badminton are due to begin in the near future.

### Track

Although the track team isn't completely organized yet, several of the young men on the campus have been working out on the athletic field in order to get in shape for the first track meet which will be held at North Greenville on April 27.

The track schedule is as follows:

April 27 ----At North Greenville  
May 1 ----At Mars Hill  
May 6 ----At Lees McRae  
May 11 ----Conference Meet at Mars Hill

### Tennis

Here is the tentative tennis schedule:

April 15—Mars Hill -----T  
April 19 — Gardner Webb ----T  
April 25 — Spartanburg -----T  
April 29 — Gardner-Webb ----H  
May 11 — Conference Meet at Mars Hill

May 14 — Mars Hill -----H  
May 17 — Spartanburg -----H

### Golf

The only golf meet scheduled is the Conference tournament at Beaver Lake Golf Course in Asheville on May 2.
