

Tornado Talk

Basketball Statistics:

After seven games, our Tornadoes have compiled an overall 6-1 record; their lone defeat coming at the hands of the highly-ranked Young Harris Lions.

Leading the Brevard quint in scoring is 5'8" Joe Forte with a 16.6 scoring average. A fine 30 points performance in Monday night's game against Gardner Webb boosted Forte's total. Wayne Huntley, with a 14.3 scoring average, is the team's second leading scorer. "Poochie" Harris is Brevard's only other player in double figures with a 10.7 scoring average.

The Tornadoes are currently tied for first place in the conference with Wingate Jr. College, each having 3-0 records.

☆☆☆ Intramurals:

The rules for this year's Intramural Basketball season have been changed with two-eighteen minute halves replacing the four six-minute quarters of last year. This gives thirty-six minutes of playing time instead of twenty-four for last year.

There will be an intermission of five minutes between halves and the clock will run continuously except for time-out periods and during the last three minutes of play.
