

"Play Night" Comes Around

The Faculty Social Committee has planned a Play Night to be held in the gym on Saturday, April 27, beginning at 7:00 P. M. for the entire student body. Mr. Quentin Cantrell, a member of Brevard's "family community" and an ardent lover of a "good time," will call an old-fashioned square dance which will be followed by popular dance numbers.

Other activities will include volleyball, ping pong, chess, checkers, and swimming. Everyone is invited to join in the frolic tomorrow night in the gym.

Kenerly Memorial Grows; Book Helps

A book in memory of Mr. Ben Kenerly was recently bought with special library funds and is now being exhibited in the library, Mrs. Holder has announced.

IN WILDNESS IS THE PRESERVATION OF THE WORLD, selections from Thoreau's WALDEN chosen and illustrated by colored photographs by Eliot Porter, was published in the summer of 1962 by the Sierra Club of San Francisco. The book is a very handsome volume that presents the world as seen in an unspoiled country-side for the enjoyment of all who respect nature and are sensitive to the moods of the seasons.

The Library staff chose this book as one peculiarly appropriate as a memorial to Mr. Kenerly, who especially loved the woods and mountains and who constantly took time to enjoy the out-of-doors. The book will be displayed now and at Commencement along with other gift books added during this past academic year.

BLT's OKLAHOMA Termed Successful

The Brevard Little Theatre presented Rodgers and Hammerstein's Broadway musical, OKLAHOMA, in cooperation with the Brevard Civic Orchestra and the Brevard Civic Chorus last week in the Brevard Senior High School auditorium.

Maggie Masters was supervising director, with Charles Jolliff serving as musical director and Kaylene Schoenberg as director of choreography.

Bob Betts and Betty Ann Schranz as "Curley" and "Laurey" sang the romantic leads with a supporting cast of Pat Murphy, Charles Martin, Jim Nichols, Charlie Cook, Bill Beasley, Bob Lancaster, Shirley Hammill, Taj Hanna, Hilda Hardin, Stan Hardin, and Ernie Gilstrap in speaking roles.

More than 100 persons were included in the staging of the Little Theatre's OKLAHOMA, which was originally produced on Broadway in 1943 starring Alfred Drake and Joan Roberts. It was made into a movie in 1955 starring Gordon McRae and Shirley Jones.

Carlos Perez, Robert Taylor, and Charlie Cook, Brevard College students, were in the cast. Carlos danced in the famous "Dream Ballet"; Robert tap

danced in the "Farmer's Song"; and Charlie Cook portrayed one of the cowboys.

Two former Brevard College students, Shirley Hammill and Sue Misenheimer, were among the cast. Shirley played the notorious role of "The Girl Who Couldn't Say No" and sang several songs while Sue portrayed one of the young women at the turn of the century.

Mrs. Barbara Sader, instructor in physical education at Brevard College, was a director of choreography and helped work out many of the dance arrangements for the production.

Wingate Downs Brevard

Wingate came through with a two-run rally in the top of the seventh inning, April 16, to down the Brevard College Tornados, 8-6, in a Western Carolina Junior College Conference game.

Wingate hit the two Brevard pitchers for a total of 11 hits, while Brevard was held to six hits. Martin, for Wingate, was the big hitter for the day with three singles in five trips to the plate.

Kappa Chi Plans Annual Retreat

The Tau Chapter of Kappa Chi is planning an overnight retreat at Mary Gwynn's Camp on April 27. The retreat, an annual event, is planned to be a time of spiritual inspiration, fellowship, and recreation.

Leaving campus on Saturday at 1:30 P. M., it should take only 15 minutes to drive to the camp site. The remainder of the afternoon will be spent in leisurely doing nothing except enjoying the beauty of the mountains, and perhaps some fishing.

Directed recreation, a business meeting, and a devotional period are planned to follow the evening meal. On Sunday morning after a pancake breakfast, the group will drive to Camp Greenville for the morning worship service. The worship service is scheduled at 10:00 A. M. so that the group can be back on campus in time for lunch and the trip to Biltmore House.

Campus Ladies Have Doll Party

"A Doll Party" was held in the college library, Thursday afternoon, April 25, for members of the Campus Ladies' Organization.

Members of the Library Staff were hostesses at their annual open house, during National Library Week.

A collection of old and foreign dolls belonging to Mrs. Holder was displayed, and guests were invited to bring any favorite dolls of their own to the party. Books and magazine articles relating to dolls and doll collecting were also exhibited.

The customer at the lunch counter was struggling valiantly with his not-so-choice cube steak. Finally he put down his knife and said to the proprietor:

"It's a shame to fry a tire that still has so much tread on it!"

SGA Suggests Two Changes

The Student Government Association Council has suggested the following revisions of the constitution for next year: (1) SGA fees, which were formerly \$1 per semester, should be raised beginning, September, 1963, to \$1.50 per semester to enable the Council to support the Homecoming Dance, provide better campus movies, and sponsor activities similar to the trip to the Biltmore House and Gardens.

(2) Officers of any organization on campus, serving in any capacity including hall proctors, should be permitted to retain their position until the end of the first semester in case of any officer's failure to maintain a "C" average at the first grading period of eight weeks. After the first semester, he will be required to maintain a "C" average every grading period with no D's or F's.
