

WNC Scholastic Relays Slated For Today

500 Athletes Compete For Honor Awards

At least 20 schools and more than 500 boys will participate in the 12th annual Western Carolina Scholastic Relays at the Brevard quarter-mile oval today.

The meet, annual spring classic for high school sports, is being jointly sponsored for the second year by Brevard High School, Brevard Junior Chamber of Commerce, Asheville Jaycees, and Brevard College.

Prior to 1962 it was held in Asheville, but last year it was tentatively moved to Brevard until a suitable grass track could be constructed at Asheville. While being held at Asheville the meet was for boys and girls, but at Brevard it is limited to boys.

Last year's champions, Hendersonville High, will not participate in this year's meet. Coach Rob Brown late last year committed the Bearcats to a Southern meet in Knoxville before knowing that the date conflicted with the relays here.

Coach Martin, athletic director of Brevard College, is serving as director of the Western Carolina meet and is accepting entries from schools. Entries also are being handled by the Brevard Jaycees. Invitations mailed by the Asheville Jaycees went to almost 90 schools from throughout Western North Carolina.

The meet itself will be governed by state high school regulations. Only three individuals from each school and only one relay team per school may enter an event. Points will be awarded for five places both in relays and individual events. The relay scoring is 10, 8, 6, 4, 2, and individual 5 through 1.

Medals are to be awarded for each first place and ribbons will be given for the other places. Trophies will be given for the first five places in team standings and an additional trophy will go to the most outstanding performer.

Lee Edwards High, Brevard, and Enka all have strong teams and are the favorites for the meet.

The events offered include

Duke Freshmen Rip Tornadoes

Duke freshmen took 11 first places out of 15 events to defeat the Brevard thinclads, 100½ to 30½, in a non-conference track meet at Brevard College, April 18.

Duke proved to be too strong for the Brevard team as they easily pulled away with a great team effort.

The high point man for the day was Zimmer of Duke with 11 points.

Blivits Win Championship; Jenkins High-Point Man

Cumbie Injured In Anderson Game

On April 4, 1963, Roger Cumbie, an outstanding baseball player for the Tornadoes last season, broke his leg in a game at Anderson, South Carolina, disabling him for the remainder of the baseball season. Cumbie played third base and was a great loss to the team.

The accident occurred in the seventh inning with Brevard leading 7-2. Cumbie came up for his fifth time at bat, the first man to face a relief pitcher. Cumbie was hit in the side by a wild ball thrown by the pitcher, and took a free trip to first base. Charles Cort, already on base, moved down to second. Joe Forte then hit a grounder to third base and Cumbie, trying to prevent a double play, slid into second. His spikes dug in

In the final game of Intramural basketball in which three starters from each team were absent, the third floor Green Blivits captured the Intramural Championship over the first floor Taylor Gladiators 53-44.

The high scorer for the night was Jerry Jenkins of first Taylor with 24 points. Starnes had 10 points for the Gladiators. Don Thomas was high man for the Blivits with 18 points, followed by McMahan and Dickinson with 12 each.

Having won the Intramural Championship, each full-time player on the Blivit team will receive a small trophy for his efforts. Bill Burgin, who coached the Blivits this season, will also receive a trophy and recognition for the time and work which he devoted to the team.

the ground, twisting his foot completely around.

Cumbie's leg was found to be broken in two places — the ankle bone and the tibia, just below the knee. He was given an open-reduction operation at the Greenville General hospital where he remained for seven days.

Roger Cumbie is not only a fine infielder for Brevard, he is a good hitter at the plate and showed the utmost in sportsmanship.
