

The Sports Picture

By WES HOWE

Freshman John Huber has brought a shining light to the Brevard Cross Country team. John has run the 2.5 mile course in 14:03. This better the old W.C.J.C.C. record by seven seconds. Coach Roberts hopes to have John break the Brevard course record, 12:58.5, held by Bill Daniels of Furman University.

Behind John is sophomore Larry Burch. Larry holds the school record for the two-mile run, set last spring. Indications are that Larry will break the 14 minutes record before the end of the season.

Joe Brown, a sophomore, and Kenny Baughn, a freshman, are fighting for the number 3 and 4 spots on the team.

There are 6 other men on the team that will be trying for places: Glenn Sherratt, David Whitmire, Dennis Houston, Richard Gauley, Paul Oliver, and Vernon Arnold.

Dean Roberts thinks that he will be able to place 8 men in the top 5 in most conference meets.

The harriers open their season at home against Furman University on October 8.

Schedule: October 8, Furman University (H); October 14, Lees McRae (A); October 7, Wingate (H); October 22, Furman University (A); October 28, Wingate (A); November 4, Lees McRae (H); November 9, W.C.J.C.C. meet (Brevard).

Kappa Chi

Kappa Chi has planned a get-acquainted outing this Saturday for both old and new members at the home of President McLarty at Lake Junaluska. Recreation and a very inspiring program are being planned. We are asking each person to pay one dollar for transportation. The bus will leave the campus at 1:00 p.m. Sports clothes may be worn. It is hoped that every member will attend.

Periodicals

The following professional periodicals have been placed in the Science Building seminar room 106:

Monthly NAA bulletins published by the National Association of Accountants

The Journal of Accountancy, each month from January 1920 to date, published by the American Institute of Accountants, with index for each volume in every June and December issue

Anyone that may want to use these periodicals for reference or research may do so by contacting either Mr. Charles Ray Fisher or Mr. Mario P. Perez.

Dean Harris

(Continued from Page One)

cerned, the new Dean is favorably impressed. "There is a fine spirit of co-operation which makes my job more pleasant, and there is a great deal of enthusiasm among student leaders."

WPNF Broadcast

Radio Station WPNF, in cooperation with the National Broadcasting company, will broadcast the World Series, beginning on October 7th.

"We are delighted that we will again be able to bring our listeners the World Series," Al Martin, the station manager, said.

Since there are close races in both the American and the National league, it is impossible to tell at this time which teams will be playing in the series.

BOOTER PROSPECTS GOOD

Brevard's soccer team has begun practice for its third season of play. Coach Tauscher started practices with 11 lettermen. But this fell to 9 returnees when Tom White and Charlie Koontz sustained leg injuries and were put on the disabled list.

The front line is in good shape with 5 sophomores: Jim Williams, Bob Stallings, Richard Gardella, Frank Harmon, and Richard Green. These men will probably make up the Tornado's best forward line in years.

There are 3 sophomores at halfback to give the forwards support: Bob Tuck, Mike Gillespie, and Charles Gilbert.

In the last line of defense, the fullbacks, there are 3 returning sophomores: Bob Duckworth, Roger Owen, and Wes Howe.

The most wide open spot on the team is goalie. Sophomore Jim Cabe and freshman Dave Ellerbe will be trying to fill the shoes of the infamous Joe Humphries.

Much depends upon the freshmen players on the squad. Steve Snyder, Jim Barnette, Bill

Smith, Wade Ferrell, and Mario Guenther back up the forwards. Claude Garrett, David McPherson, Skeets Sturtivant, Chuck Connor, and Ben Wilson will help out in the defense. Jim Thomason and Geary Crist, two sophomores, who also joined the team this year, will see much service.

Brevard, although losing 6-0 in a two-hour scrimmage against Belmont Abbey last Saturday, looks much better this year, and Coach Tauscher says the prospects for a successful season are good.

The opener for the team is at Warren Wilson next Saturday.

The first home game is the Saturday of the Homecoming Weekend. The booters take on King College.

Schedule. Oct. 10, Warren Wilson (A); 17, King College (H); 21, Pfeiffer College (H); 29 Ben Lippen School (H); Nov. 3, King College (A); 9, Appalachian State College (A); 14, Warren Wilson (H); 18, Furman Un. (A); 21, Furman Un. (H).

Slow! Construction Ahead!

The Beam Administration building which is now being erected adjacent to the Science building is scheduled to open in the early part of 1965. The approximate cost of the building is \$181,000.00. Mr. C. Grier Beam, a member of the Brevard College Board of Trustees, donated a challenge grant of \$100,000.00. The amount of \$125,000.00 was also donated by interested townspeople and friends of the college.

New campus roads are being built as part of the program. The roads are now near completion. Future development plans include renovating the Campus Center Building for the Music Department and doubling the size of the cafeteria.
