BREVARD COLLEGE, BREVARD, N. C., SEPTEMBER 22, 1967

Number 3

NEW STUDENT LEADERS ELECTED

POOL has become a popular co-ed pastime on campus. Above, a group of students display their skill

with a cue stick in the new Student Union.

BC CLUBS GAIN MOMENTUM

SNEA Serves The Community

Considered one of the most important clubs on the Brevard Campus is the Student National Education Association. The club is affiliated, on the college level, with the North Carolina Education Association and the National Education Association.

The first meeting of the year for the SNEA was held the afternoon of September 15, in the faculty dining room. Prior to the opening business of the meeting, the twenty students in attendance were addressed by Mrs. Olson, Supervisor of Teacher Instruction for Transylvania County. Mrs. Olson spoke briefly on the Education Association on both the state and local levels. She also discussed the advantages of potential teachers becoming involved in the National Education Association during their college careers.

A tutoring project was developed and finally agreed upon as the main project for the coming year. Future meetings were set at the second Friday of each month at 5:30 P. M.

Mr. Tawney, adviser of the SNEA, offered encouragement to the students in attendance to join the SNEA. "Enrolling in the Student National Education Association is very vital for those of you interested in the teaching profession. First of all, it will help you decide if you

are or are not seriously interested; and secondly, it will provide invaluable materials for your use."

New officers elected were the following:

President - Kathy Van Netta
Vice President - Dianne Johnson

Secretary - Scarlet Estridge
Treasurer - Betty Kirkman
Publicity Chairman - Wayne Morton

John Tinsley Will Head PTK, 1967-68

One of the most outstanding groups on campus has been, and still is, Phi Theta Kappa. The purpose of the Delta Pi Chapter of Phi Theta Kappa at Brevard is to promote scholarship, to develop character, and to cultivate fellowship among the students of both sexes in this Junior College. To qualify for admission, a student must have a B average, be in the top ten percent of the class, and be approved by the faculty.

For the 1967-68 school year, the officers are as follows:

President - John Tinsley
Vice Pres. - Dennis Carrick
Sec.-Treas. - Sharon Harris
Historian - Patti Page

The first meeting for the year was held Monday evening, September 18. Many new ideas were suggested for projects and programs, and a committee was

appointed to plan the programs.

It was decided that this Saturday from 9:00 - 1:00, the Phi Theta Kappa will have a sidewalk sale of paper-back books, Monarch study guides, and history maps. This will be a big bargain for the student. At the gigantic sale, the sophomores taking English 22 will be able to take advantage of the economically priced book reports which will be on sale.

Phi Theta Kappa is also working on ideas for a service project, which will help promote better relations between the college and surrounding community.

Span.-Amer. Club Elects Officers

The Spanish - American club held a meeting on Monday, September 19. Mr. Perez introduced the new officers of the club as follows:

President - Sandra Atkins
Vice President - Sharon Parker
Asst. Vice Pres. - Debbie Cothran
Sec. - Treas. - Tom McAuley
Public Relations - Jackie Lawing

Asst. Director - Ann Maiden
Mr. Murray, director of the art department, presented a collection of slides on Spanish and South American art from the baroque period to modern cubism. The works of El Greco,

Jarrell, Moser Attend Oriental Congress

Among an estimated 2000 scholars from more than 50 countries, Miss Willoughby Jarrell of Brevard's Social Studies department and Miss Joan Moser of the Music department attended the International Congress of Orientalists.

Held at the University of Michigan from August 13 - 19, the Congress featured a presentation of papers and scholarly discussions of the humanities and social sciences of the geographical area from Morocco eastward to Japan and Indonesia.

Miss Jarrell, whose main area of interest is Afganistan, participated in the presentation of papers and scholarly discussions during the Congress, which was held in the United States for the first time in its 94-year history.

Miss Joan Moser, who returned to the music faculty after a year of doctoral studies at the University of Michigan, was a participant in a Japanese music ensemble, which was part of the entertainment provided each night for the scholars.

Euterp Pledges Are Treated To A Picnic

The Euterpean Society is responsible for many of the social activities on campus. It strives to be active, not only socially but in all phases of Brevard College life.

On September 17 a picnic was held at Camp Straus for all freshman girls interested in joining the society. The new and old members roasted hot dogs, marshmallows, and became acquainted with each other.

The Euterpes discussed various plans including their initiation, the Christmas Dance, and another outing.

Holly Williams, who is the Euterpean president, said that so far the society has a wonderful group of new freshmen who appear eager to work for the betterment of the college. It is not too late for others to join. Anyone who is interested may give her name to Holly Williams sometime this week.

DePasque, Juan Gris and Rivera were shown. In his narration, Mr. Murray stated, "Art is not necessary; it is a luxury. It is not needed by man, but it is to be looked at and enjoyed by man."

On Tuesday, September 19, freshman and sophomore candidates for Class President, Secretary - Treasurer, and SGA Representative presented their election speeches.

Both sophomore and freshman candidates showed originality in their presentations, and were informative as well. Unfortunately, the freshman class President and Vice-President candidates did not have time to speak due to 2:00 classes. They will speak again next Thursday.

Meanwhile, the freshmen elected Beth Miller to Secretary - Treasurer, and Hazel Chapman as SGA Representative.

The sophomores chose Sammy Robinson as President, Richard Marvin Vice-President, Jackie Griffith Secretary-Treasurer, and Tom McAuley SGA Representative.

Newly - elected Sophomore Class President, Sammy Robinson, pledged his determination to have the sophomore class remembered as the best class ever at Brevard. Robinson was President of the Freshman Class last year, and his experience should be an extra boost to this year's success.

Congratulations to all new class officers!

Zen Den Opens With "Hippie" Theme

Last Saturday night, September 16, the combined organizations of the Canterbury and Newman Clubs, better known as the Anglo-Cats, held for the Student Body a Zen Den. For those of us who do not understand completely what a Zen Den is, the common definition is a place of gathering for those select persons who enjoy learning about their fellowman in an accepted atmosphere. The atmosphere developed on Saturday night was synonymous to that of the Hippie cult. The admission to the Zen Den was the presence of a flower on one's person and one thin dime.

This atmosphere was accentuated by lights shining down from the "heavens" in the Student Union, and lighted candles on each table.

A well known group, who call themselves just Tenna George, and Peggy provided entertainment. When they tired, the over-present juke-box was plugged in, and the audience came forward and went through the physical gyrations of the dance.

The Zen Den is now in its second year. This year plans have been made to have a weekly meeting with entertainment on Saturday nights.
