

TORNADO WARNING!

BY
MIKE BUMGARDNER

Congratulations goes out to Coach Talley and Coach Tauscher as they both wrapped up their seasons with the best records in the school's history. Coach Talley's trackmen established themselves as a major power in sweeping to a 10-0 record and finishing second in the nation. Coach Tauscher's soccer team finished with a 6-3-2 record, the school's best since several years ago when Brevard soccer had a 2-4-4 record . . .

Coach Tauscher prides in the fact that he's never worn shin - guards in a soccer game. He relayed this to David Mullis one day just before a game when Dave asked him about them. "I've never been kicked, so I don't wear them," said Coach T. Mullis, therefore, with confidence marched on the field minus the shin-guards and promptly was greeted with a polite boot right . . . in the shins

I feel I must repay Coach Martin for his introduction during the Pep Rally Tuesday. Ask any of the sophomores about the time last year when during our especially long road game, everyone riding in Coach Martin's car was asleep. With everything quiet and dark, Coach Martin drowsed off just enough for the car to swerve rather badly. He awoke immediately and was greeted by the sight of seven pairs of round, bright eyeballs blinking on-and-off, on-and-off. We took turns posting guard the remainder of the way back to school.

The upcoming game with Young - Harris should be a thriller. Last year's victory over Y.H.G. was only Brevard's third in the two team's personal records. This year, Young Harris has already played two games. They have defeated Gainesville, and the result of the other game is not known yet. Mr. Joe Bowles informed us that Brevard Basketball would be broadcast over WPNF this year. This would include a large number of road games and some home games. I think the publicity this year for Brevard has been outstanding, and much thanks should be given to Mr. Bowles.

The Seminar: A Better Method?

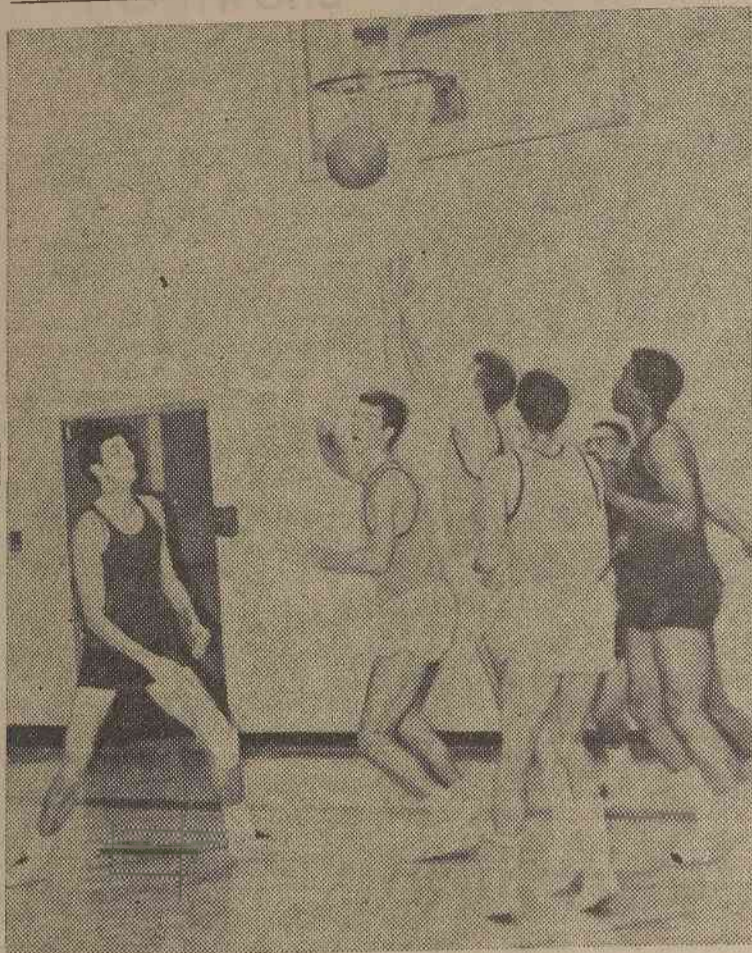

(Continued from Page Two)

search for knowledge, not bound by one-hour classroom performances.

Education is the key to overcoming ignorance, so it follows that the more effective the educational system, the more intelligent man may become. Through his more highly developed intelligence, man is more able to deal with the barbarisms of his world; he becomes truly civilized.

"Chick's Charges" Crush Gainesville

Tornado Speed Is Big Factor

Hot - handed Arnold Nicholson pumped in 24 points from all over the floor Tuesday night to lead the Brevard College Tornados to an opening season 64-56 win over the Gainesville, Ga. Junior College Lakers at Boshamer gym.

Nicholson divided his scoring evenly, getting 14 points in the first half and adding 10 in the final half to be high scorer for the evening.

The Tornados overcame a case of opening game jitters that had them making several bad passes and losing ball control during the first half. They led by only 31-28 at halftime.

Coach "Chick" Martin's charges seemed to settle down after momentarily losing the lead at 37-36 early in the last half to quickly regain the advantage and keep it throughout the remainder of the contest.

Ronnie Vance was the only other Tornado in double figures. He had 14 points.

Brevard plays their second game of the season on the road at Young Harris, Ga. this Saturday night. The next home game will be played here next Monday night, Nov. 20, against Montreat - Anderson. Tip off time at Boshamer gym has been set for 7:30 p.m.

Cindermen Attend News-Sentinel Meet

Larry Thompson, freshman from Berwyn, Pennsylvania, broke the Brevard College record in the javelin at the Annual News - Sentinel Track Meet at Knoxville, Tennessee November 4. The old record held by John Tinsley was 172' 2 1/4". Thompson's added 1/4 inch to the mark on his third throw and final throw. Larry earned eight letters and set several school records in track and football at Conestoga High in Berwyn.

Drew "Moose" Baron gained a place for Brevard in the shot put event with a distance of 49' 11". Moose will be a strong contender for the national championship in the spring.

Also representing Brevard in the meet were Roger Jones, Wayne Morton, Ed Holder, and

Bob Hanson. Witnessing snow in the Great Smoky Mountains and encountering cold temperatures in Knoxville, Coach Talley's thinclads were somewhat hampered as were all the athletes.
