

TORNADO WARNING!

BY
MIKE BUMGARDNER

Taking a look ahead into the basketball season: Next week the Tornadoes play the Gaston College Rebels and the Gardner - Webb Bulldogs. Whether or not the Tornadoes will have a let-down after the Montreat - Anderson series will have to be seen. Both Gaston and Gardner - Webb are very tough opponents.

Gaston has some fine ball players this year. Returning from last year is leading scorer James Turpin (who was by the way a team-mate of Danny Denton at Hunter Huss H.S.) Also there is 6'2" Leonard Hamilton, a great leaper and scorer. A freshman, Dick Armstrong, made his position known by scoring 27 points in Gaston's first game this year.

Gardner - Webb has all the material to be a national power. First of all, there is the giant center Artis Gilmore at 7'2". In a recent scrimmage, Larry Arrick of Asheville - Biltmore said of an encounter with Gilmore . . . "he's taller than 7'2", and has a thousand moves."

The Bulldogs also possess the talents of high-school All - Americans Art Roberts and Ernie Fleming.

Gaston and Gardner - Webb played each other earlier this week with G-W winning 106 - 63. Gaston has defeated Clinton College 104 - 102. Both teams are potentially very high scoring ball clubs. Brevard will have to be sharp for a very tough 2-game home-stand next week.

Brevard has the material and speed to beat both teams, barring the ball-handling mistakes that have plagued the Tornadoes thru the first three games.

"Green Bay" (sment) Captures Football Title

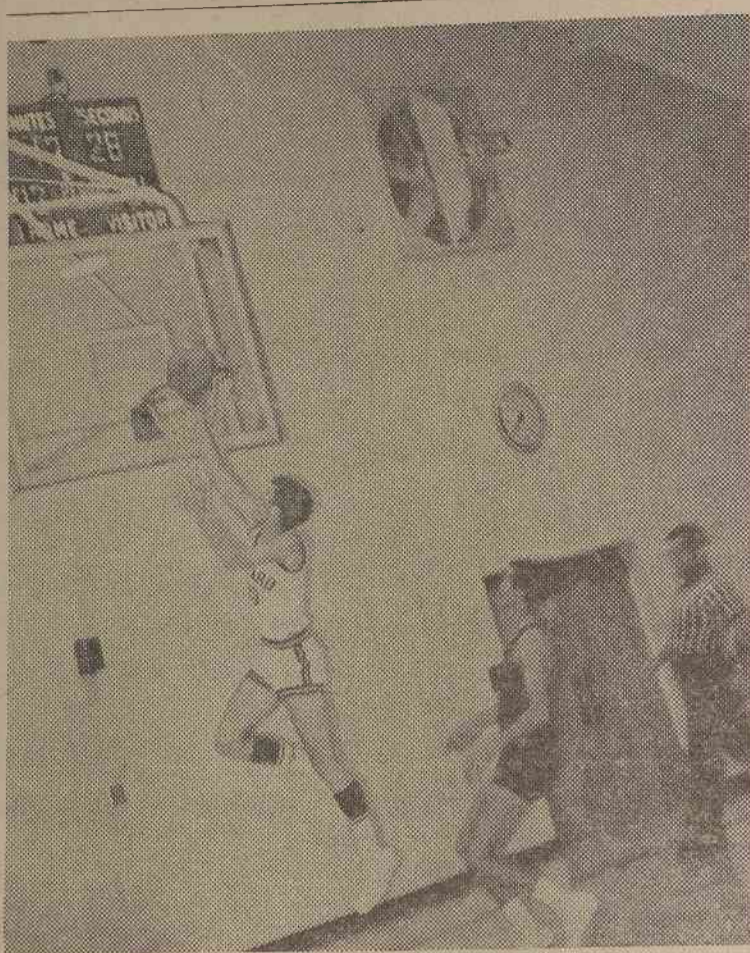

"Basement is Best" summarizes the Men's Intramural football season which concluded November 13. The basement floor of Green Hall, with its organization, depth, and "never give up" attitude captured the championship with an impressive 20-0 victory over runners-up Beam I and II. Green Basement started out with several bad breaks and lost the first two games. Since then, the "men of G. B." have been undefeated.

Much of the success of Green Basement lies in the team's versatility. QB Fred Neeson can run as well as throw the ball for the first down or the TD. The hands of Bill Hyland have been a threat to any opponent. In the championship with Beam I and II, Hyland caught a 55 yard pass from Neeson for a TD and intercepted three passes. The big foot of Tom Jordan has been another asset to the team. In a recent game, Jordan booted three field goals of 28, 37, and 49 yards. In the championship game, Jordan added 1 PAT and scored on a screen pass play from Neeson. The speed of Jim Dollyhigh is certainly not to be overlooked. Jim made many fine runs during the season. In the championship, Jim turned in his usual performance and scored on a 17 yard pass from Neeson.

The real heroes of Basement

are the linemen. Bill Boome and Moose Baron have been consistent all season in catching the man behind the line. Together, they have held the opposing offense to very meager yardage. Jerry Page, Larry Mellot, Alan Middleton, and Larry Taylor are feared men on the field as well. All four have played terrific football. Dennis McCarthy suffered a broken wrist and participated only in the early games. Had it not been for his misfortune, the interior line of Basement would have been stronger. Bob

BC OFF TO BIG BOUNCE

ARNOLD (BIRD) NICHOLSON is pictured laying the ball in for the Tornadoes during action against Montreat - Anderson last Monday night. "Bird" and his teammates are 2-1 thus far this year. BC plays Montreat again this Friday night.

Brevard took a long trip into Georgia and suffered a 74-73 setback at the hands of Young-Harris. Trailing at half-time by four points, Brevard stormed back to tie the game, and had several opportunities to take the lead. Brevard actually had the lead for a time in the second half when they exchanged one point leads with YHG. The ball handling mistakes were costly for both teams. Such mistakes cost Brevard several golden opportunities toward the close of the game. Ronnie Vance was the high scorer with 20 points, followed by Arnold Nicholson with 19. Paul Hendrix hit double figures with 12.

Free - throws told the final story as Brevard had to foul to get the ball. Trailing by 74-71, goal-tending was called against a Young - Harris player, and the lead was cut to one. The buzzer went off before the Tornadoes could regain possession.

Monday night, the boom was lowered as Brevard socked Montreat - Anderson 118-57 in one of the wildest ballgames in several years. The Tornadoes broke loose with a 57-26 half-time with the reserves playing almost ten minutes. Everyone had a hot hand with five players hitting double figures.

Euterps

(Continued From Page Three) Eileen Christopher. The Christmas Queen will be announced during the dance, and will be selected from the above five lovely ladies.

All BC students are welcome to attend the dance. "Come on over to Dunham and let yourself go!" says Fagan.

WELCOME TO

Students & Faculty

Githens played soccer for the Tornadoes and was able to play for Basement until the championship game. He proved to be very vital to the defense as well as to the offense. On defense, Githens made many possible long gains turn into short ones. Bob booted a PAT in the championship game.

However, the team of Beam I and II proved to be a team of strength. The team's regular season record was 6-1, better than that of Green Basement. The dual threat of Beam all season had been QB Vic Sutherland and end Jim Harbin. Sutherland's strong aim and Harbin's tremendous hands made many opponents stare in amazement. The big man on the line was Max Trapp, small but aggressive. Max was always in the opponents backfield about

the time the ball touched the QB's hands. Sam Maddill, Tex Thomson, Doc Marlow, Bob Linn and Richard Surratt comprised the strength of the Beam line. Surratt played a dual role in booting field goals and PAT's. Dennis Carrick and Blair Thornburg also were notable components of Beam. Chris Wallin also was outstanding, both on defense and offense.

Congratulations to Beam I and II on their performance. Congratulations to Green Basement — 1967 Men's Intramural Football Champs!!!!!!
