

**ANOTHER BEAUTIFUL NEW BUILDING** is now under construction on the colorful campus of Brevard College. This modern structure, located in the new quadrangle,

will contain many classrooms. It faces the Science building and is adjacent to the Administration building. Bryant Construction company is the general contractor.

## Gone --- But Not Forgotten

Following is an article which appeared in the local paper in Knoxville, Tennessee:

Thad Talley, former Furman standout under Coach Chuck Rohe, is coming to U-T as Rohe's track assistant.

Talley is moving from Brevard Junior College. He will be a part-time coach, working in the mornings as a physical education teacher at Webb School and in the afternoons and weekdays with the Volunteers.

Thad, from Canton, Miss., started in college sports as a football end at Ole Miss. He switched to Hinds Junior College and later to Furman when his size forced him into track.

Talley climbed in the 880 until he was sixth-ranked in the world. He cleared 13-6 in the pole vault with a metal pole and became a consistent winner in the high jump, triple jump and 440.

Thad started coaching at

Tyson Junior High after a graduate assistantship with Rohe at U-T. He moved on to high school and then junior college where his record was 47-11 with five conference championships in six tries.

Coach Talley, in a personal letter to each member of the track and cross country teams, stated:

"It is with mixed feelings that I leave. Please keep in touch with me in the future and rest assured that I will help you any way I can. Just remember that 'Everyday is a Beautiful Day to accomplish your goal in life.'"

A sincere friend, a terrific coach, and an athlete in his own right, Coach Talley will certainly be missed, but his influence, the records he established for the teams as coach, and his devotion to each man on the teams will be felt on the oval for years to come.

## WHAT'S HAPPENING!!

As a service to BC students to help them with their weekend plans, **The Clarion** will publish a list of "happenings" each week in the Asheville area.

We anticipate our list will grow within the next few weeks. If you have any suggestions, please let us know verbally or by a written note in **The Clarion** office box.

Imperial Theatre: 9/6-9/10  
NO WAY TO TREAT A LADY, starring Rod Steiger and Lee Remick

Imperial Theatre: 9/11-9/17  
STRANGER RETURNS, starring Tony Anthony

Terrace Theatre: 9/3-9/11  
WHERE WERE YOU WHEN THE LIGHTS WENT OUT?, starring Doris Day

## Intramural Notice

Because of the growing needs of Brevard College, the old Intramural Program must have immediate improvement. The old program lacks the variety needed to meet all the interests of Brevard's student body and faculty; therefore, new sports and activities are being added to the 1968-69 Intramural Program.

However, YOUR new program can not, and I repeat, can not be successful if full participation is not practiced. Through YOUR cooperation we can make this school year more enjoyable and physically profitable.

The immediate problem centers around participation in the new sports and activities. These new sports and activities are as follows:

1. Six-mile relay race: Fall
2. Eight-ball tournament: Fall or Winter
3. Checker and Chest Tour-

4. Horse Shoes: Fall-Spring
5. Fishing Derby: Spring

The only way that we can determine the extent that we can offer any of the above, is through YOUR IMMEDIATE RESPONSE. To do such, contact Coach Burch or Coach Witek in the intramural office in the gymnasium.

Also, a general meeting at the college gymnasium will be held to discuss the new organization and administration of the 1968-69 intramural program. Every male faculty member and student interested in intramural participation should attend. Announcements concerning time and date will be posted in the immediate future.

Larry G. Burch

I-M Director

## HELP -

The CLARION staff, in attempt to familiarize the students with each other and acquaint the readers with some of the top students on campus, will publish weekly an article "Student of the Week." This article, carried in the Clarion somewhat last year, will present a brief biographical sketch of the individual along with a photograph.

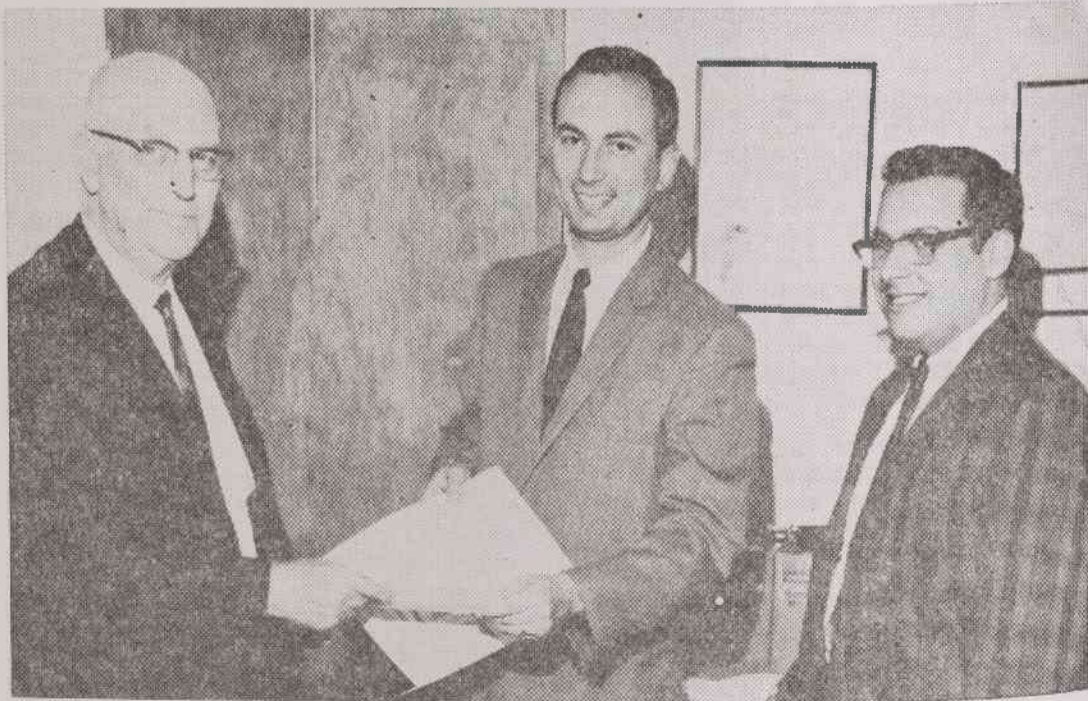

If you have a suggestion, write it on a slip of paper and deposit it into the Clarion box at the office in the Classroom Building. In this way, we hope to make the selection more of an honor and allow you to make suggestions.

; Planning to continue his education is Danny Bost, former baseball coach and Assistant in Public Relations at Brevard College. Mr. Bost resigned in late summer to enroll in graduate school at Appalachian State Teacher's College in Boone, North Carolina.

The CLARION staff, the Athletic Department, and the athletes themselves regret the resignation of Coach Bost, but encourage him in his future endeavors.
