

A SALUTE TO THE SOCCER TEAM

"The Best Ever"

The soccer season at Brevard is over. The 1968 team will never play again. Another team will arise and take its place, perhaps a better team and perhaps an inferior one. The fact remains, however, that the 1968 soccer team, although compiling a record that is only the school's second best, yielded the best squad that has ever played soccer for Brevard College. A team's success is usually measured by its won - lost record, but often a better team has an inferior record. So is the case with the 68 Brevard soccer squad.

Tornadoes Set Records

This year's team saw many records fall and now has set new goals for future teams to aim for.

The team's record of 5-5-1 was not the best in Brevard history, but second best. The team scored a season total of 44 goals averaging 4 goals per game which constitutes two new records. Mike Michner set a new standard by scoring 13 goals and having 9 assists to his credit. Gedric Guthrie scored eight goals, Jim McCombs tallied for seven, and Don Kirkendall six, all breaking the previous record.

Defensive wise, Brevard was weak this year, allowing a record 34 goals to be scored against them.

Brevard's biggest margin of victory was also seen this year as the Tornadoes trampled Montreat Anderson 9-1. The victory over Clemson 7-6 marked the most goals ever scored in a Brevard soccer match. The defeat by Tusculum also saw the achievement of another record, the most goals scored in a half. Ten of 14 goals were scored in the second half of this game.

Five goals in the last quarter against Montreat Anderson also constitutes a new record plus the fact that six players for Bre-

vard scored another record. Three of the team members are prospects for the American University Soccer squad. Don Kirkendall, Dubb Tullar, and Bob Hanson have been interviewed by A U officials and are considering playing soccer there.

BC Takes Early Lead; Downs Wingate

After trailing for the first several minutes of play, Brevard's cagers took a 2 point lead with 13 minutes remaining in the first half, widened their margin, and handed Wingate an 81-62 defeat, here Tuesday night.

Joe Kagel sparked the winning cause, tossing in 30 points, aided by Charles Hunt's 22 point performance. High man for Wingate was Rick Carpenter with 18 points, followed closely by Mike McComb's 16 point tally.

Brevard's full court press began clicking about midway through the first half causing several Wingate miscues that led to a Brevard scoring drive.

Costly turnovers and fouls dominated the first period action, with Brevard sending Wingate to the Charity line an unofficial 14 times and gave up the ball 14 times to the opponents 10. (unofficial statistics). Wingate's errors were fewer than Brevard's in the first period, but were costly mistakes.

The second half saw a some-

what slower, more deliberate game with fewer Brevard boners and more by Wingate as they had to play "catch-up" ball. Brevard capitalized on Wingate's mistakes in the final period and rolled to a 19 point victory.

Brevard is 1-1 in conference as the team takes its exam break.
