Asheville Community Concert Tickets Arrive At The College

Mr. Nelson F. Adams, Brevard College Director of Fine Arts, has announced that tickets for this year's Asheville Community Concert season have arrived. The tickets cost \$10 for the complete series and are available in the Fine Arts Office.

The first Program, featuring the Osipov Balalaika Orchestra to Moscow, will be held Friday, October 17, in Asheville City

Auditorium. Ticket holders are advised that a group will meet at 6:30 p. m. at the side of the Fine Arts Building, for those needing transportation.

The company of 71, on its first American tour, appeared on the Ed Sullivan Show in New York before beginning the tour. The orchestra features choirs of massed balalaikas (national instrument of Russia for centuries and best described as a member of the guitar family) and other folk instruments including shepherd's horns. The Dublin Ireland Times described the orchestra as including "three opera stars singing folk songs and some of the greatest arias known, to this new accompaniment, and two dancers providing charming and humorous folk dances."

Ticket holders are informed that the date of a later program, Soprano Elizabeth Schwarzkopf, has been changed from March 23 to March 3. The Fine Arts department also adds that Asheville Chamber Music Tickets are now available free of charge, in the office of Miss Poole.

Brevard And Montreat-Anderson Meet In Soccer Match Saturday

The Brevard College Tornados will face Montreat-Anderson College Saturday afternoon in the feature sports attraction of the Homecoming festivities.

Coach Larry Burch's charges will seek to keep their unbeaten record on the home field intact against a rugged squad from Montreat in the Western Carolinas Junior College Conference contest.

The Tornados lost a tough 2-0 decision October 4 to King

College of Bristol, Tennessee. The four-year school fielded a tough aggregation that scored twice in the second period, once on a penalty kick, and held off a determined Brevard rally in the second half to defeat the Tornados and even their record at 2-2. Brevard faced the University of North Carolina at Asheville Wednesday afternoon, October 8, at Asheville. The score was not available at press time.

Coach Burch was proud of the second half effort put forth by his squad, as King could cross midfield only four times in the final two periods. Brevard's defense continued to shine, having allowed but four goals in the four contests played through last Saturday.

Game time for Saturday's contest with Montreat-Anderson is 2:00 p.m.

Intramural Teams Post High Football Scores

By LARRY LANIER

Exciting is the only way to describe last week's I - M football games. Most of the scores were very high.

Still on top is the third floor of Green. They really ran over their opponents, whipping Beam III 36 - 7 in their first game. Sophomore Bob Keen ran over for two touchdowns; Randal Essick, Don Livingston and Randy Lutz scored one each. Picking off four passes for Green III was Bob Keen and Randy Lutz who intercepted two.

History was made in Green III's second game. For the first time in five years they beat Green Basement — tromping them 40 - 7. The chief factor in the victory was the machine gun arm of Green III's Jerry Tuttle. He, time after time, connected for key passes and for several touchdown passes. Ramping over for four TD's was Randy (Charlie Brown) Lutz. Scoring one each was Bob Keen and Jerry Tuttle. Rowe Haden caught two passes for a total of four extra points.

Saving the shut - out was

basement's Jim Husbands. Greer Holland added the extra point.

Green II also racked up their opponents. They downed Taylor Basement - II 33-8. Allan Smith crossed the goal line for two touchdowns. Adding one each was Eddie Young, Sandy Olson, and Larry Edwards. Jim Carriel kicked for three extra points.

Losing to Green II was Beam I-II by a score of 20-7. Young, Olson, and Smith scored one touchdown each. Carriel kicked for the other two points.
