

SGA Continues Work On Various Needs Intramural Basketball

Season Is Now Underway

On behalf of the SGA, welcome back to Brevard College and the Spring Semester. Last semester we left with a fairly clear conscience. I sincerely hope that this semester proves just as rewarding, if not more so.

Some of you may be wondering about various issues that we left hanging last semester. This is an opportunity for me to summarize the proposals which we hope to have answers on in the very near future.

Concerning Open House — Frank Owen and I mentioned this proposal again to President

Davis Monday. He said an answer would be given by the end of the week. He has given considerable thought as well as talked with interested faculty members on this issue; therefore it has been a well considered answer.

Concerning an extension of Dormitory Hours — Dr. Davis, in our "chat" Monday, said that he and Dean Whicker would discuss the issue and a proposal would not be necessary.

Concerning Final Exams — the faculty will be presented with a proposal drawn up by the Curriculum Committee at the

next faculty meeting in February. We should have a final decision after the faculty votes at this meeting.

There is still a considerable amount of apathy on campus, but I feel that this will take care of itself. The new Sims Student Union will add a great deal to the social life on campus, so let's be appreciative and use its facilities to our best ability.

I look forward to a fine semester and hope you do the same.

Lyndon Ashworth
President SGA

The 1971 Brevard College Intramural Basketball season opened Monday night, Jan. 18 as Green basement and second floor outscored the Faculty 71-62. Green basement and II, one of the pre-season favorites to win the title was paced by distance runner Henry Nix. Nix dominated both the offensive backboards and ended the game with 29 points. Allen Smith (Basement) and Gerry Nieson added 16 and 14 points respectively. Larry Burch led the Faculty with 28 points as Mr. Lowe, a teacher from Brevard High School, contributed 14 points for the losers.

The second game featured Green first and third floors against Taylor basement and second floor. Green I and III's overwhelming height told the story in the game as they trounced Taylor basement and II 68-28. Green I and III controlled the rebounding battle as they held Taylor to just one shot every time they came down the court. Jerry Tuttle led Green's balanced attack with 18 points. Tuttle was also aided by John Pepper's 14 points and Dave Crawford's 10 points.

This year's schedule has each team playing the other six teams twice. Each team's worst record will be compiled into the standings to determine its position and bracket for the tournament which follows the regular season. The winner of the tournament will be declared the champion of Brevard College Intramural Basketball.

Girls' Basketball Schedule And Roster

Miss Gail Anderson of Brevard College's Athletic Staff announces the schedule of the girls' basketball games for spring, 1971.

JANUARY			
19—UNC-Asheville	T	6:30	
23—Anderson	H	5:30	
27—Western Carolina			
U.	H	7:00	
FEBRUARY			
1—UNC-Asheville	H	6:30	
3—Montreat-Anderson			
	H	5:00	
4—Furman	T	4:00	
9—Western Carolina			
U.	T	7:00	
11—Mars Hill	T	7:00	
16—Anderson	T	5:30	
18—Furman	H	4:00	
23—Montreat-Anderson	T	6:15	
MARCH			
2—Mars Hill	H	7:00	

The players are Pam Partington of Roanoke, Virginia; Mary Dora Gaillard, Charleston, South Carolina; Barbara Hall, Franklinville, North Carolina; Becky McGrady, Ashboro, North Carolina; Jeanne Palmer, Alexandria, Virginia; Barbara Bohkin, Greensboro, North Carolina; Vickie Hall, Rosman, North Carolina; Helen and Ellen Walker, Robbinsville, North Carolina; Evelyn Norton, Penrose, North Carolina; Dianne Bellamy, Winston-Salem, North Carolina; Kristy Smith, Greenville, South Carolina and Suzon Franzke of Vero Beach, Florida.

Mr. Quentin Cantrell In 16th Year At BC

1971 has brought Mr. Quentin Cantrell to his 16th year as Director of Maintenance at Brevard College. When he is not directing his hands and talents to supervising smoothly the maintenance of all the campus grounds, buildings, and vehicles, he is pursuing farming and woodwork as hobbies.

Mr. Cantrell feels his job requires patience and a sense of humor, because often one feels a job could have been done faster and simpler if he had just done it himself, but a Director's job is to direct. "The maintenance department does everything from rescuing a co-ed's contact lens from the drain in her sink to putting the cow out at night," Mr. Cantrell stated with a smile.

Mr. Cantrell enjoys working for Brevard College, but progress has taken much of the hard work out of his job. New equipment, new buildings, and better finances allow him to do his job faster and more efficiently.

Yet the sad result of progress and an accelerated rate of living is the loss of community spirit and family feeling that was present in the college community of 1960. Mr. Cantrell feels that the students have lost some of the interest or time for the simple accomplishments in sacrifice to concentration on world scale problems.

He says there is a lack of personal contact between the faculty, administration, staff, and students that was present in 1955. Mr. Cantrell says he misses the days when the college owned only one vehicle, and he and the coaches drove the athletic teams and the cheerleaders in their own cars—even to Kansas.

543 Fulltime Students Register For Spring Semester

Brevard College registered students for the Spring Semester on Tuesday, Jan. 12, with classes beginning the following day. Mrs. Brona N. Roy, associate Registrar of the College, stated that 543 fulltime and 16 part-time students were enrolled. The college is offering a total of 84 different courses this semester.

New students arrived on the campus Jan. 10, and returning students arrived on Jan. 11, thus completing the Christmas Holidays.

Dean's Office Makes Announcement

Students who have automobiles on campus are required to report new license numbers to the Student Personnel Office by February 15, 1971. After this date, a fine will be charged to those students who have neglected to report this information.

Applications for the position of Hall Counselors are now being accepted. Proper forms may be picked up in the Student Personnel Office during regular hours. The deadline for receiving applications will be March 1, 1971.

Brevard Tornados Lose 72-70 Thriller At North Greenville

Brevard's Tornados faced a determined North Greenville five Tuesday night at North Greenville and was handed a hard fought 72-70 loss.

Thus far this season the Tornados record stands at 0-5 in conference standing and 5-11 overall record. In 15 games played leading high scorer in average points of 16.2 is Bob Wolf. Roger Jamison is next with 16 games played and an average of 15.9. Roger thus far this season has 246 points overall in his effort to score.

Individual highs are 29 points by Jay Spain against Mt. Olive. Field goals - 12 by Bob Wolf in a game against Hudson and 12 also by Spain in the Mt.

Olive game. Free throws - Wolf with 17 attempts sunk 14 against Hutchinson. Bill McClain was leading rebounder with 246 and a season high of 17 against Orlando.

Brevard's games so far this season have resulted in the following: Hudson Valley 88 - 72; Ferrum, Va., 92 - 118; Hutchinson, Kansas, 71 - 88; Greenville, Ga., 73 - 85; Orlando, Fla., 97 - 85; Central Florida, 70 - 78; Western Carolina, 81-74; Wingate, 73 - 79; Lees McRae, 69 - 74; UNC - A Frosh, 76 - 108; Montreat Anderson, 68 - 77; Mt. Olive, 94 - 82; Louisville, 61 - 80; Lees McRae, 60 - 62; UNC - A 71 - 63; North Greenville, 70 - 72.

Girls' Basketball Team Wins Season Opener

The Brevard College girls basketball team shot their way to victory in a 48-18 win over the UNC-A team last Tuesday night.

Brevard's starting line up was Vicki Hall, Jeanne Palmer, Pam Partington, and Ellen and Helen Walker. Other members of the team aiding in the victory were Laura Speights, Dianne Bellamy, Becky McGrady, Evelyn Norton, and Barbara Hall.

Miss Anderson, basketball coach, commented on the game,

"The team had a lot of hustle but we were too weak on our defense. Our points came from quick turnovers and fast breaks."

High scorers were Jeanne Palmer - 12 points, Ellen Walker - 11 points, Pam Partington - 10 points, Vicki Hall - 8 points.

Coach Anderson also wished to thank the students for the encouragement and enthusiasm they have shown recently.

The game was played at the UNC-A gymnasium in Asheville.
