

SUNSHINE DRAWS PLAYERS back into the field for spring soccer.

## Bruises and sprains usher in spring soccer scrimmages

On Monday, April 3, this year's spring soccer got under way. Under the direction of Coaches Hugh Moran and Jim Blackwell practice promises to be a lot of fun for those who like to play soccer. Unlike fall practice, when conditioning is stressed, spring soccer is mainly for skills and the day is usually spent in scrimmages. Spring soccer is a good opportunity for a person to see whether or not he enjoys the sport and would like to play in the fall. Anyone interested in playing should come down to the soccer field at 4:30 p.m. any weekday. It should be said that this is a come as you like affair; if you come one day it does not mean that you are required to show up for the rest of the practices. Spring soccer will run until the day before Reading Day, April 26.

## Track team whips Brevard gains Carson-Newman tri-meet win

Brevard won it's first dual meet of the season, by beating Carson Newman College 80-65 in Jefferson City, Tenn. The meet score stayed almost even through the last five events. Brevard scored 40 points to Carson Newman's 20 in the last seven events.

Brevard College walloped Lees - McRae and Milligan College in a three - way track meet Wednesday, totalling 109½ points to 38½ for the Bobcats and 32 for Milligan.

Don Goodspeed set a school record for Brevard with a time of 55.5 in the 440-hurdles.

## Stoffel takes first

Brevard managed only to place three individuals in the Florida Relays. The only 1st place finisher in the meet was Lee Stoffel who won the meet with a throw of 153 feet 1 inch in the discus. Clay White finished fifth in the triple jump with a jump of 45 feet, 6½ inches. Another fine performance was turned in by Sam Beasley, who placed seventh in the long jump with a jump of 22 feet 11¼ inches.

Coach Witek said, "Brevard had a disappointing performance as a whole, but we were simply out of class."

Though the conditions were unsatisfactory, Brevard still managed to have some fine performances.

The top performance was turned in by Lee Stoffel who qualified for the Jr. College Nationals by hurling the discus 156 feet. Another fine performance was turned in by Sam Beasley who scored victories in the long jump, triple jump, high jump, 220 yard dash and second in the 100 yard dash for a total of 23 points. ## New books arrive

Something new has been added to Jones Library. Through the generosity of the Trustees' Library Committee a revolving, paperback book rack has been placed near the Circulation Desk in the main Reading Room. About one hundred popular and provocative paperback books have been placed there. More will be added. After only a few weeks of use this new paperback book section has proven very popular with both students and faculty. The students enjoy browsing, reading in the lounging area or checking the books out.

## Beasley, White place in relays

Sam Beasley jumped 23'0" in the long jump which gave him a tie for second place but was credited with 3rd because Tucker of Georgia had a second jump better than Beasley's. Clay White jumped 45'8" for the 4th in the triple jump.

Lee Stoffel threw 147'10" for 7th place in the discus. The discus was won by a former Brevard "All American," Forrest Broom, now at South Carolina. Broom threw 168'. Though Bre-

vard did not place in the mile and 2 mile relay, there were two performances worth mentioning. Bill Triplett ran a 1:59.9 lead off leg in the 2 mile relay, and Fred Bowen ran a fine anchor leg in the mile relay.

Brevard travels to Carson Newman, March 21 and the Florida Relays, March 24. The first home meet was April 5 against Lees-McRae and Wingate starting at 2:30.
