saw as they returned to campus for the beginning of the spring semester.

Semester Begins Under Snowy Conditions

On January 10, 1973, Brevard College opened for the Spring semester under a blanket of six inches of snow and ice. Opening was delayed one day due to the bad weather.

Enrollment for the semester is as follows: 410 fulltime students, 13 part-time students, 70 special music students. The number of full-time students represents, according to the registrar's office, the lowest percentage net loss (from fall semester to spring semester) which has occurred in recent history.

Former Student On Debate Team

Miss Suzon W. Franzke, Greensboro College Junior, has been selected as one of the twelve members of the United States debate team. She is the only member of the team from a Southern college or university.

U. S. competition will involve debaters from China, Russia, and Germany.

Girl Scout Day Held

On Saturday, January 20th the Campus Gold, Brevard College's Girl Scout chapter, hosted a sports day program for Cadetts, Juniors, and Senior Girl Scouts of the Pisgah Girl Scout Council.

The Pisgah Girl Scout Council membership is made up of girls who reside west of Marion, North Carolina.

The event took place in Boshamer Gymnasium and the girls participated in such sports as volleyball, gymnastics and swimming.

This is the second consecutive year for the sports camp to be held on Brevard College campus. Last year more than 250 girls attended and a greater number attended this year.

Miss Gail Anderson, acting Chairman of Brevard College's Physical Education Division, was in charge of the day's activities which began at 10 o'clock Saturday morning and lasted until 5 o'clock Saturday

afternoon.

All girls in the Pisgah Girl Scout Council were invited to attend.

The Reverend Jerry D. Murry, Executive Committee member of the National Yokefellow Movement and founder of the Yokefellow Movement and Service Center in Rutherford, Caldwell, Catawba and Iredell Counties, will speak at Brevard College's sixth Convocation in Dunham Auditorium, Wednesday, January 31st at 10:00 a.m.

Lamar Clark, A New Face In SU

A new face may be seen now working at the Student Union Building. This face belongs to Lamar Clark, a native of Brevard and graduate of Western Carolina University. He will be available from 6:30 p. m. until 11:00 p. m. Monday through Thursday nights. He may be found upstairs in the social board office.

Mr. Campbell, director of the upstairs Student Union, encourages the students of Brevard College to make more use of the facilities offered. Last semester the facilities were not used so this semester a change has been made. The ping-pong room is open and now pool is free. The Union also provides a good atmosphere for studying. The television is now in good working order also.

Although use of the building's areas is encouraged, there is no reason for abuse. Already this semester windows have been broken and ping-pong

paddles and pool cue sticks demolished. This is not necessary and cannot be tolerated.
