The latest flash of information from the library is that of a new arrival. The library now has what we've been waiting for; a copy machine. The A.B. Dicks Copier is available for the use of the student. No longer must we wait at the administration building to get a copy of the photograph or magazine article. The price is ten-cents per page and is available for use during library hours. An Open Letter To Fans

Dear Students,

I want to thank each and everyone of you who supported the soccer team at home this season. As you know the young men on the soccer team receive no financial aid and their personal sacrifice is truly a great one. Nothing inspires a team more than a mob of screaming, cheering enthusiastic fans—win or lose. Never think for one minute we don't appreciate you — we do, every single shriek and moan. The inner pleasure the team and I receive simply would not be complete without you.

I would especially like to thank score keepers, Ray Rash and Mark McGuire; official timers, Fritz and assistant Izzy, line runners Brian Cuff and Niles Whitaker and alternates Robert Tanzy, Osmond Ashmond and Charles Deberry. These students gave unselfishly of their time for no pay. The jobs they did were big jobs that make Brevard Soccer the success it is not also we've got the success it is and gives us the class we've got.

A special thanks also to the Cheerleaders who have done a super job this season — you gals are really great. Thanks so much Donna and the "gang in blue."

If I've missed anyone of you I apologize but from the bottom of our hearts — the 1973 Brevard College Soccer Team thanks each and everyone of you!
