## Yunker Places 46th In Nationals

Brevard, N. C. — Jerry Yunker, a sophomore from Lexington, Kentucky, was Brevard's only representative in the National Cross Country Championships held in Eugene, Oregon on November 9th. Even though Brevard's team was ranked in the top ten in the last poll, the cost was a major factor in sending only one individual to Oregon. Since Yunker was Brevard's number one runner all year, he deserved a chance to compete at the National level.

Jerry Yunker covered the 5.1 mile course in 25:44 placing him 46th out of a field of 240 runners and only 17 seconds away from being an All-American. Last year, Yunker finished 72nd.

The team title was won by Southwestern Michigan with 44 points. The individual title went to Jeff Jerele of Golden Valley with a time of 24:32.3.

## Congratulations Little Yunker
